The transaction contained in the attached certification proposes to transfer defense articles, including technical data, and defense services to support the sale of 24 Archangel Intelligence, Surveillance and Reconnaissance ("ISR") Border Patrol Aircraft to the government of the United Arab Emirates.

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,
Julia Frifield,

Assistant Secretary, Legislative Affairs.
