its environmental assessment (EA) and

issue a Notice of Schedule for
Environmental Review. If a Notice of

Commission and will receive copies of
all documents filed by the applicant and
by all other parties. A party must submit
5 copies of filings made with the
Commission and must mail a copy to
the applicant and to every other party in
the proceeding. Only parties to the
proceeding can ask for court review of
Commission orders in the proceeding.

However, a person does not have to
intervene in order to have comments
considered. The second way to
participate is by filing with the
Secretary of the Commission, as soon as
