

recipients. Upon receipt of the electronic file, DMDC will perform a computer match using all nine digits of the SSNs in the VA file against a DMDC computer database. The DMDC database consists of pay records of active duty (including full-time National Guard and Reserve) military members. Matching records, "hits" based on the SSN, will produce the member's name, branch of service, and unit designation, and other pertinent data elements. The hits will be furnished to VA, which is responsible for verifying and determining the data on the electronic reply file are consistent with the source file and for resolving all discrepancies or inconsistencies on an individual basis. VA will also be responsible for making final determinations as to positive identification, eligibility for benefits, and verifying any other information with respect thereto.

The listing will be sorted by VA file number by Regional Office number. VA will then take necessary action to terminate compensation payments of any benefit recipient identified as being on active duty while receiving compensation pay after following the verification of procedures detailed in this agreement.

**F. Inclusive Dates of the Matching Program:** This computer matching program is subject to public comment and review by Congress and the Office of Management and Budget. If the mandatory 30 day period for comment has expired and no comments are received and if no objections are raised by either Congress or the Office of Management and Budget within 40 days of being notified of the proposed match, the computer matching program becomes effective and the respective agencies may begin the exchange at a mutually agreeable time and thereafter on a quarterly basis. By agreement between VA and DMDC, the matching program will be in effect for 18 months with an option to renew for 12 additional months unless one of the parties to the agreement advises the other by written request to terminate or modify the agreement.

**G. Address for Receipt of Public Comments or Inquiries:** Chief, Defense Privacy and Civil Liberties Division, Office of the Deputy Chief Management Officer, Office of the Secretary of Defense, 9010 Defense Pentagon, Washington, DC 20301-9010. Telephone (703)571-0070.
