The Council's Role and Membership

The Council was formed and conducts its operations in accordance with the provisions of the Federal Advisory Committee Act (5 U.S.C. Appendix). It reports to the Task Force through the Secretary of the Interior or her designee and functions solely as an advisory body. The Council advises and makes recommendations on issues related to combating wildlife trafficking, including, but not limited to:

(1) Effective support for anti-poaching activities,

(2) Coordinating regional law enforcement efforts,

(3) Developing and supporting effective legal enforcement mechanisms, and

(4) Developing strategies to reduce illicit trade and reduce consumer demand for illegally traded wildlife, including protected species.

The Council meets approximately 3-4 times annually, and at such time as designated by the Designated Federal Officer.

The Department of the Interior is extending the nominations to be considered as Council members. Nominations should include a resume providing contact information and an adequate description of the nominee's qualifications, including information that would enable the Department of the Interior to make an informed decision regarding whether individual nominees meet the membership requirements of the Council.
