OFFICE OF THE UNITED STATES
TRADE REPRESENTATIVE

[Docket No. USTR–2015–0016]

2015 Special 301 Out-of-Cycle Review
of Notorious Markets: Request for
Public Comments

AGENCY: Office of the United States
Trade Representative.

ACTION: Notice of request for public
comments.

SUMMARY: The Office of the United States
Trade Representative (USTR) requests written comments from
the public identifying Internet and physical
markets based outside the United States
that should be included in the 2015
Notorious Markets List. In 2010, USTR began
publishing the Notorious Markets List separately from the annual Special
301 Report as an “Out-of-Cycle
Review.” The Notorious Markets List (List)
identifies online and physical
marketplaces that reportedly engage in
and facilitate substantial copyright
piracy and trademark counterfeiting.

DATES: The deadline for interested
parties to submit written comments is
11:59 p.m. (EDT) on October 5, 2015.
Interested parties who wish to provide
rebuttal or other information to be
considered during the review may do so
through this docket until 11:59 p.m.
(EDT) on October 12, 2015.

ADDITIONS: All written comments
should be filed electronically via
www.regulations.gov, Docket Number
USTR–2015–0016, and be consistent
with the requirements set forth below.
When filing a submission, please
include the phrase “2015 Out-of-Cycle
Review of Notorious Markets” in the
“Type Comment” field.

FOR FURTHER INFORMATION CONTACT:
Christine Peterson, Director for
Intellectual Property and Innovation,
Office of the United States Trade
Representative, at Special301@
ustr.eop.gov. Information on the Special
301 Review, including the Notorious
Markets List, is available at
www.ustr.gov.

SUPPLEMENTARY INFORMATION:

1. Background

The United States is concerned with
trademark counterfeiting and copyright
piracy on a commercial scale because they
cause significant financial losses for
rights holders, legitimate businesses,
and governments, undermine critical
U.S. comparative advantages in
innovation and creativity to the
detriment of American workers, and
potentially pose significant risks to
consumer health and safety as well as
privacy and security. The List identifies
select online and physical marketplaces
that reportedly engage in or facilitate
substantial copyright piracy and
trademark counterfeiting.

Beginning in 2006, USTR identified
notorious markets in the annual Special
301 Report. In 2010, pursuant to the
Administration’s 2010 Joint Strategic
Plan on Intellectual Property
Enforcement, USTR announced that it
would begin publishing the List as an
Out-of-Cycle Review, separately from
the annual Special 301 Report. USTR
published the first such List in February
2011. USTR develops the annual List
based upon public comments solicited
through the Federal Register and in
consultation with other Federal agencies
that serve on the Special 301
Subcommittee of the Trade Policy Staff
Committee.

The United States encourages owners
and operators of markets reportedly
involved in piracy and counterfeiting to
adopt business models that rely on the
licensed distribution of legitimate
content and products and to work with
rights holders and enforcement officials
to address infringement. We also
encourage responsible government
authorities to intensify their efforts to
investigate reports of piracy and
counterfeiting in such markets, and to
pursue appropriate enforcement actions.

The List does not purport to reflect
findings of legal violations, nor does it
reflect the United States Government’s
analysis of the general intellectual
property rights (IPR) protection and
enforcement climate in the country or
countries concerned. For an analysis of
the IPR climate in particular countries,
please refer to the annual Special 301
Report, published each spring no later
than 30 days after USTR submits the
National Trade Estimate to Congress.

2. Public Comments

a. Written Comments

USTR invites written comments from
the public concerning examples of
Internet and physical notorious markets,
including foreign trade zones that
allegedly facilitate substantial trademark
counterfeiting and copyright piracy.
Commenters are requested to support
their nominations with the information
listed in Section 2.b.

b. Requirements for Comments

To receive full consideration, written
comments should be as detailed as
possible. Comments must clearly
identify the market and the reason or
reasons why the commenter considers
that the market should be included in
the Notorious Markets List.
