

A determination of comparability of accreditation standards by the NCFMEA is an eligibility requirement for foreign medical schools to participate in the William D. Ford Federal Direct Student Loan Program, 20 U.S.C. 1087a *et seq.*

Meeting Agenda: The NCFMEA will review the standards of accreditation applied to medical schools to determine whether those standards are comparable to the standards of accreditation applied to medical schools in the United States. The NCFMEA will also review previously requested reports from accrediting entities that accredit medical schools. Discussion of the standards of accreditation will be held in sessions open to the public. Discussions resulting in specific determinations of comparability are closed to the public until proper notification of the NCFMEA's decision is provided to the medical school by the Department.

The countries which are scheduled to be discussed are Antigua and Barbuda, Canada, Cayman Islands, Dominica, Dominican Republic, and Hungary. The meeting agenda, as well as the staff analyses pertaining to the meeting, will be posted on the Department of Education's Web site prior to the meeting at <http://www2.ed.gov/about/bdscomm/list/ncfmea.html>.
