Methodology

The Department is conducting this countervailing duty review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we determine that there is a subsidy, *i.e.*, a financial contribution by an “authority” that confers a benefit to the recipient, and that the subsidy is specific.⁴ Additionally, for certain subsidy programs, we are relying on the facts available, with adverse inferences, pursuant to sections 776(a) and (b) of the Act. For further information, see the Issues and Decision Memorandum.

Final Results of Administrative Review

As a result of this review, we determine the countervailable subsidy rates during the POR for the mandatory respondents to be:

Company	Subsidy rate (percent)
Samsung Electronics Co., Ltd	34.77
Daewoo Electronics Corporation	81.91

Assessment and Cash Deposit Requirements

In accordance with 19 CFR 351.212(b)(2), the Department intends to issue appropriate instructions to U.S. Customs and Border Protection (CBP) 15 days after publication of the final results of this review. The Department will instruct CBP to liquidate shipments of subject merchandise produced and/or exported by Daewoo and Samsung, entered or withdrawn from warehouse, for consumption from June 5, 2012, through December 31, 2013.

Pursuant to section 751(a)(2)(C) of the Act, the Department also intends to instruct CBP to collect cash deposits of estimated CVDs, in the amounts shown above for each of the respective companies shown above, on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this

review. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits at the most-recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Administrative Protective Order

This notice also serves as a final reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

These final results are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.
