**Submission for OMB Review; Comment Request**

*Title:* Tribal TANF Data Report, TANF Annual Report, and Reasonable Cause/Corrective Action Documentation Process.

*OMB No.:* 0970–0215.

*Description:* 42 U.S.C. 612 (Section 412 of the Social Security Act as amended by Public Law 104–193, the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (PRWORA)), mandates that federally recognized Indian Tribes with an approved Tribal TANF program collect and submit to the Secretary of the Department of Health and Human Services data on the recipients served by the Tribes’ programs. This information includes both aggregated and disaggregated data on case characteristics and individual characteristics. In addition, Tribes that are subject to a penalty are allowed to provide reasonable cause justifications as to why a penalty should not be imposed or may develop and implement corrective compliance procedures to eliminate the source of the penalty. Finally, there is an annual report, which requires the Tribes to describe program characteristics. All of the above requirements are currently approved by OMB and the Administration for Children and Families is simply proposing to extend them without any changes.

*Respondents:* Indian Tribes.

Syed Huda: Debarment Order

**AGENCY:** Food and Drug Administration, HHS.

**ACTION:** Notice.

**SUMMARY:** The U.S. Food and Drug Administration (FDA or Agency) is issuing an order under the Federal Food, Drug, and Cosmetic Act (the FD&C Act) permanently debarring Syed Huda from providing services in any capacity to a person that has an approved or pending drug product application. FDA bases this order on a finding that Mr. Huda was convicted of two felonies under Federal law for conduct relating to the regulation of a drug product. Mr. Huda was given notice of the proposed permanent debarment and an opportunity to request a hearing within the timeframe prescribed by regulation. Mr. Huda failed to respond. Mr. Huda’s failure to respond constitutes a waiver of his right to a hearing concerning this action.

**DATES:** This order is effective September 16, 2015.

**ADDRESSES:** Submit applications for special termination of debarment to the Division of Dockets Management (HFA–

SUPPLEMENTARY INFORMATION:

I. Background

Section 306(a)(2)(B) of the FD&C Act (21 U.S.C. 335a(a)(2)(B)) requires debarment of an individual if FDA finds that the individual has been convicted of a felony under Federal law for conduct relating to the regulation of any drug product under the FD&C Act.

On May 16, 2014, the U.S. District Court for the Eastern District of Virginia entered judgment against Mr. Huda for one count of importation contrary to law, in violation of 18 U.S.C. 545 and 2, one count of introducing misbranded drugs into interstate commerce, in violation of 21 U.S.C. 331(a), 333(a)(2), and 18 U.S.C. 2, one count of unlicensed wholesale distribution of prescription drugs, in violation of 21 U.S.C. 331(t), 333(b)(1)(D), 353(e)(2)(A), and 18 U.S.C. 2, one count of wire fraud, in violation of 18 U.S.C. 1343. FDA’s finding that debarment is appropriate is based on the felony convictions referenced herein. The factual basis for this conviction is as follows: Mr. Huda was a co-founder and co-owner of Gallant Pharma International Inc. (Gallant Pharma), between August 2009 and August 2013. Gallant was a company dedicated to the illegal importation and sale of misbranded and non-FDA approved chemotherapy drugs and injectable cosmetic drugs and devices in the United States.

As co-founder and co-owner of Gallant Pharma, Mr. Huda was primarily responsible for the United States based portion of the conspiracy, including: (1) Identifying a drop shipper willing to accept illegal importations of behalf of Gallant Pharma, (2) locating space for Gallant Pharma to store misbranded and non-FDA approved drugs and devices, (3) establishing relationships with customers in the Washington, DC metropolitan area, (4) interviewing and hiring sales representatives in other parts of the United States, and (S) establishing merchant accounts with credit card processors, for receipt of illegal proceeds via wire transfer into Canadian bank accounts. Gallant Pharma was not licensed as a prescription drug wholesaler by the Commonwealth of Virginia. Some of the drugs and devices that Mr. Huda acquired were not approved by the FDA for use on patients in the United States. Mr. Huda admitted that the drugs sold by Gallant Pharma were prescription only; and were misbranded in that, among other things, they did not bear adequate directions for use and were not subject to an exemption from that requirement; and they were accompanied by non-FDA approved packaging and inserts. The drugs Gallant Pharma sold also lacked the FDA-required pedigree, which protects patient health by tracking each sale, purchase, or trade of a drug from the time of manufacturing to delivery to the patient.

Immediately after establishing Gallant Pharma’s presence in the Eastern District of Virginia, on or about September 25, 2009, Mr. Huda received a cease and desist letter from a law firm on behalf of Medics, the exclusive authorized marketer of RESTYLANE and PERLANE in the United States and Canada. The letter informed Gallant Pharma that its marketing of these drugs violated the FD&C Act and could subject Gallant Pharma to substantial criminal and civil penalties. The letter included Gallant Pharma’s marketing materials, which falsely claimed that Gallant Pharma had been “strictly working with the current FDA rules and regulations for almost 10 years.”

Mr. Huda personally solicited orders on behalf of Gallant Pharma, and on or about October 19, 2010, he sold 10 vials of misbranded TAXOTERE to a physician in Oceanside, CA, in exchange for $2450, thereby causing misbranded drugs to travel in interstate commerce from the Eastern District of Virginia. Mr. Huda was aware of several occasions in which physicians complained after receiving drugs with packaging and inserts written in language other than English, and he authorized a price reduction upon receipt of the letter in which to file the request, and advised him that failure to request a hearing constituted a waiver of the opportunity for a hearing and of any contentions concerning this action. The proposal was received on May 26, 2015. Mr. Huda failed to respond within the timeframe prescribed by regulation and has, therefore, waived his opportunity for a hearing and has waived any contentions concerning his debarment (21 CFR part 12).

II. Findings and Order

Therefore, the Director, Office of Enforcement and Import Operations, Office of Regulatory Affairs, under section 306(a)(2)(B) of the FD&C Act, under authority delegated to him (Staff Manual Guide 1410.35), finds that Syed Huda has been convicted of felonies under Federal law for conduct relating to the regulation of a drug product.

As a result of the foregoing finding, Syed Huda is permanently debarred from providing services in any capacity to a person with an approved or pending drug product application under sections 305, 512, or 802 of the FD&C Act (21 U.S.C. 355, 360b, or 382), or under section 351 of the Public Health Service Act (42 U.S.C. 262), effective (see DATES)(see section 201(dd), 306(c)(1)(B), and 306(c)(2)(A)(iii) of the FD&C Act (21 U.S.C. 321(dd), 335a(c)(1)(B), and 335a(c)(2)(A)(ii)). Any person with an approved or pending drug product application who knowingly employs or retains as a consultant or contractor, or otherwise uses the services of Syed Huda, in any capacity during his debarment, will be subject to civil money penalties (section 307(a)(6) of the FD&C Act (21 U.S.C. 335b(a)(6))). If Mr. Huda provides services in any capacity to a person with an approved or pending drug product application during his period of debarment he will be subject to civil money penalties (section 307(a)(7) of the FD&C Act. In addition, FDA will not accept or review any abbreviated new drug applications from Syed Huda during his period of debarment (section 306(c)(1)(B) of the FD&C Act.

Any application by Mr. Huda for special termination under section 306(d)(4) of the FD&C Act should be identified with Docket No. 55633.
