SUPPLEMENTARY INFORMATION: The Tribe has submitted an application to BIA requesting that approximately 60 acres of land be transferred from fee to trust status upon which the Tribe would develop a casino, hotel, parking, and other supporting facilities. In order for the Department to fully consider and either grant or deny the Tribe's application, the Department must first comply with NEPA. The property is located within Fruitport Township, Muskegon County, Michigan, approximately 5 miles south of the City of Muskegon. It is bounded by Interstate 96 to the northeast and Ellis Road to the south. Areas of environmental concern identified for analysis in the EIS include land resources, water resources, air quality, noise, biological resources, cultural resources, resource use patterns, traffic and transportation, public health/environmental hazards, public services and utilities, socioeconomic, environmental justice, and visual resources/aesthetics. Alternatives identified for analysis include the proposed action, a non-gaming alternative, a reduced-intensity alternative, and an alternative site location. The range of issues and alternatives are open to revision based on comments received in response to this notice. Other related approvals may be required to implement the project, including approval of the Tribe's fee-to-trust application, determination of the site's eligibility for gaming, compliance with the Clean Water Act, and local service agreements. To the extent applicable, the EIS will identify and evaluate issues related to these approvals. The purpose of the Tribe's proposed action is to improve the economic status of the Tribal government so it can better provide housing, health care, education, cultural programs, and other services to its members. Additional information, including a map of the project site, is available by contacting the person listed in the **FOR FURTHER INFORMATION CONTACT** section of this notice.
