SUPPLEMENTARY INFORMATION:

Title: Risk Management Education and Targeted States Partnerships Program.

OMB Number: 0563-0067.

Type of Request: Extension of a currently approved information collection.

Abstract: The Federal Crop Insurance Act directs the Federal Crop Insurance Corporation, operating through RMA, to (a) establish crop insurance education and information programs in States that have been historically underserved by the Federal crop insurance program [7 U.S.C. 1524(a)(2)]; and (b) provide agricultural producers with training opportunities in risk management, with a priority given to producers of specialty crops and underserved commodities [7 U.S.C. 1522(d)(3)(F)]. With this submission, RMA seeks to obtain OMB's approval for an information collection project that will assist RMA in operating and evaluating these programs. The information collection project is a Request for Applications. The primary objective of the information collection projects is to enable RMA to better evaluate the performance capacity and plans of organizations that are applying for funds for cooperative and partnership agreements for risk

management education programs and crop insurance education programs in Targeted States.

Estimate of Burden: The public reporting burden for this collection of information is estimated to average: 16.75 per response for the Risk Management Education Targeted States Partnerships Program for agri-business professionals.

Respondents/Affected Entities: Agribusiness professionals.

Estimated Annual Number of Respondents: 250 respondents.

Estimated Annual Number of Responses: 250 responses or 1 per respondent.

Estimated Total Annual Burden per Respondents: 4,188 hours.

Comments are invited on: (1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) the accuracy of the agency's estimate of the burden of the proposed collection information; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on those who are to respond, through use, as appropriate, of automated, electronic, mechanical, or other collection technologies, e.g. permitting electronic submission of responses.

All responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.

Signed in Washington, DC, on September 14, 2015.

Brandon Willis,

Manager, Federal Crop Insurance Corporation.

OMB Number: 0563-0055.

Expiration Date of Approval: February 29, 2016.

Type of Request: Extension of a currently approved information collection.

Abstract: FCIC is proposing to renew the currently approved information collection, OMB Number 0563-0055. It is currently up for renewal and extension for three years. The information collection requirements for this renewal package are necessary for FCIC to provide an interpretation of request for a final agency determination and an interpretation of procedures. This data is used to administer the provisions of 7 CFR part 400, subpart X in accordance with the Federal Crop Insurance Act, as amended.

We are asking the Office of Management and Budget (OMB) to extend its approval of our use of this information collection activity for an additional 3 years.

The purpose of this notice is to solicit comments from the public concerning this information collection activity. These comments will help us:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information has practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, through use, as appropriate, of automated, electronic, mechanical, and other collection technologies, *e.g.*, permitting electronic submission of responses.

Estimate of Burden: The public reporting burden for this collection of information is estimated to average 8 hours per response.

Respondents/Affected Entities: Parties affected by the information collection requirements included in this Notice are any producer (including their legal counsel) with a valid crop insurance policy and approved insurance provider

(agents, loss adjusters, employees, contractors or legal counsel) with agreement with FCIC.

Estimated Annual Number of Respondents: 32.

Estimated Annual Number of Responses per Respondent: 1.

Estimated Annual Number of Responses: 32.

Estimated Total Annual Burden Hours on Respondents: 256.

Comments are invited on: (1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) the accuracy of the agency's estimate of the burden of the proposed collection information; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on those who are to respond, through use, as appropriate, of automated, electronic, mechanical, or other collection technologies, *e.g.* permitting electronic submission of responses.

All responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.
