The purpose of the withdrawal is to
 protect the Research Natural Areas and
 Botanical Areas and allow the USFS to
 explore administrative alternatives in
 managing the lands.

The use of a right-of-way, interagency
 agreement, or cooperative agreement
 would not provide adequate protection
 for these areas due to the broad scope
 and nondiscretionary nature of the
 general mining laws.

No alternative sites are feasible due to
 the resource significance of the areas.
 No water will be needed to fulfill the
 purpose of the requested withdrawal.

Records relating to the application
 may be examined by contacting the
 USFS, Rocky Mountain Region at the
 above address and phone number.

For a period until December 23, 2015,
 all persons who wish to submit
 comments, suggestions, or objections in
 connection with the withdrawal
 application may present their views in
 writing to the Forest Supervisor, Black
 Hills National Forest at the address
 indicated above.

Comments, including names and
 street addresses of respondents, will be
 available for public review at the Forest
 Supervisor's Office, Black Hills National
 Forest, 1019 North 5th Street, Custer,
 South Dakota 57730, during regular
 business hours. Individual respondents
 may request confidentiality. Before
 including your address, phone number,
 email address, or other personal
 identifying information in your
 comment, be advised that your entire
 comment—including your personal
 identifying information—may be made
 publicly available at any time. While
 you can ask us in your comment to
 withhold from public review your
 personal identifying information, we
 cannot guarantee that we will be able to
 do so.

Notice is hereby given that public
 meetings in connection with the
 proposed withdrawal will be held at the
 Mystic Ranger District, 8221 South Hwy
 16, Rapid City, South Dakota 67702 on
 October 27, 2015 at 6 p.m. and at the
 Sundance Community Center, Basement
 of the Crook County Courthouse, 309
 Cleveland St., Sundance, Wyoming
 82729 on October 28, 2015 at 6 p.m. The
 USFS will publish a notice of the time
 and place in a least one newspaper of
 general circulation no less than 30 days

before the scheduled dates of the
 meetings.

For a period until September 25,
 2017, subject to valid existing rights, the
 lands will be segregated from location
 and entry under the United States
 mining laws, unless the application is
 denied or canceled or the withdrawal is
 approved prior to that date. The lands
 will remain open to other uses within
 the statutory authority pertinent to
 National Forest lands and subject to
 discretionary approval.

The application will be processed in
 accordance with the regulations set
 forth in 43 CFR 2310.
