Office of the Secretary

7 CFR Part 2

RIN 0503-AA58

Revision of Delegations of Authority

AGENCY: Office of the Secretary, USDA.

ACTION: Final rule.

SUMMARY: The Secretary of Agriculture is authorized to delegate functions, powers, and duties as the Secretary deems appropriate. This document amends the existing delegations of authority by adding and modifying certain delegations, as explained in the Supplementary Information section below.

DATES: Effective September 29, 2015.

FOR FURTHER INFORMATION CONTACT:

Adam J. Hermann, Office of the General Counsel, USDA, 3311–South Bldg., 1400 Independence Avenue SW., Washington, DC 20250, (202) 720–9425, adam.hermann@ogc.usda.gov.

SUPPLEMENTARY INFORMATION: This rule makes several changes to the United States Department of Agriculture's (USDA) delegations of authority in 7 CFR part 2 by adding new delegations and modifying existing delegations.

This rule adds a new delegation of authority from the Secretary to the Chief Financial Officer (CFO) to provide guidance on implementation of prize competition authority in section 24 of the Stevenson-Wydler Technology Innovation Act of 1980 (15 U.S.C. 3719), as added by the America COMPETES Reauthorization Act of 2010 (Pub. L. 111–358). This includes delegated authority to develop guidelines to ensure that judges appointed for prize competitions are fairly balanced and operate in a transparent manner. Delegations of authority are also added to the following General Officers to

carry out prize competition authorities in 15 U.S.C. 3719 in their respective areas: Under Secretary for Farm and Foreign Agricultural Services (FFAS); Under Secretary for Rural Development; Under Secretary for Food Safety; Under Secretary for Food, Nutrition, and Consumer Services; Under Secretary for Natural Resources and Environment; Under Secretary for Research, Education, and Economics; Under Secretary for Marketing and Regulatory Programs; Assistant Secretary for Administration; Assistant Secretary for Civil Rights; and the Chief Economist. The authority to approve prize competitions that may result in the award of more than \$1,000,000 in cash prizes is reserved to the Secretary. See Secretary's Memorandum 1076–008 (September 26, 2014), available at <http://www.ocio.usda.gov/document/secretarys-memorandum-1076-008>.

This rule also adds a new delegation of authority from the Secretary to the Assistant Secretary for Civil Rights to award grants and enter into cooperative agreements, as appropriate, under the following authorities for the purpose of conducting outreach efforts in connection with functions delegated to the Assistant Secretary: Grants and cooperative agreements under section 2501(a)(3) of the Food, Agriculture, Conservation, and Trade Act of 1990 (7 U.S.C. 2279(a)(3)); cooperative agreements under section 1472(b) of the National Agricultural Research, Extension, and Teaching Policy Act of 1977 (NARETPA) (7 U.S.C. 3318(b)); grants and cooperative agreements under section 1472(c) of NARETPA (7 U.S.C. 3318(c)); cooperative agreements under section 607(b)(4) of the Rural Development Act of 1972 (7 U.S.C. 2204b(b)(4)); and cooperative agreements under section 714 of the Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act, 2001 (7 U.S.C. 6962a). See Secretary's Memorandum 1076–009 (November 5, 2014), available at <http://www.ocio.usda.gov/document/secretarys-memorandum-1076-009>.

This rule also revises the existing delegations from the Secretary to the Under Secretary for FFAS, and from the Under Secretary for FFAS to the Administrator of the Farm Service Agency (FSA), to expand the purposes for which cooperative agreements under

section 607(b)(4) of the Rural Development Act of 1972 (7 U.S.C. 2204b(b)(4)) may be awarded. That authority authorizes the Secretary to enter into cooperative agreements with other Federal agencies, State and local governments, and any other organization or individual “to improve the coordination and effectiveness of Federal programs, services, and actions affecting rural areas” if the objectives of the agreement “will serve the mutual interest of the parties in rural development activities.” Currently, within the FFAS mission area, this authority is delegated to the Under Secretary for FFAS and the Administrator of FSA only with respect to conservation programs. This rule expands that delegation by providing authority to enter into cooperative agreements of less than \$100,000 with nongovernmental organizations or educational institutions, where the agreement is related to outreach and technical assistance for FSA programs. If the cooperative agreement focuses on outreach activities involving beginning, underserved, or veteran producers, coordination with USDA's Office of Advocacy and Outreach is required. See Secretary's Memorandum 1076–010 (January 13, 2015), available at <http://www.ocio.usda.gov/document/secretarys-memorandum-1076-010>.

This rule also amends the existing delegations from the Secretary to the Under Secretary for FFAS, and from the Under Secretary for FFAS to the Administrator of FSA, to clarify the authority of FSA to implement an Agriculture Priorities and Allocations System, similar to the Department of Commerce's Defense Priorities and Allocations System (15 CFR part 700), to establish procedures for the placement, acceptance, and performance of priority rated contracts and orders and for the allocation of materials, services, and facilities, by adding a specific delegation. Final approval of any allocations orders is reserved to the Secretary. See FSA, Proposed Rule, “Agriculture Priorities and Allocations System,” 76 FR 29084 (May 19, 2011). Minor changes are also being made to the delegations to FSA, the Assistant Secretary for Administration, and the Director of the Office of Homeland Security and Emergency Coordination regarding the Defense Production Act of 1950 (50 U.S.C. App. 2061, *et seq.*) to

make a correction and update the list of Executive Orders.

This rule also amends the delegation of authority from the Under Secretary for Food Safety to the Deputy Under Secretary for Food Safety in 7 CFR 2.51, which gives the Deputy Under Secretary, during the absence or unavailability of the Under Secretary, the authority to perform all the duties and exercise all the powers delegated to the Under Secretary. The delegation is amended to establish the order in which a Deputy Under Secretary may exercise that delegation when the Food Safety mission area has more than one Deputy Under Secretary. The authority will be exercised first by a career Deputy Under Secretary in the order in which he or she has taken that office, and second by a non-career Deputy Under Secretary in the order in which he or she has taken that office.

This rule also adds a specific delegation from the Secretary to the Under Secretary for Research, Education, and Economics to consult with the Foundation for Food and Agriculture Research pursuant to section 7601(d)(1)(B) of the Agricultural Act of 2014 (7 U.S.C. 5939(d)(1)(B)).

This rule includes a technical fix to remove an obsolete delegation from the Secretary to the Assistant Secretary for Congressional Relations in 7 CFR 2.23. That amendment was included in the final rule published at 79 FR 44101, 44109 (July 30, 2014), but that amendment could not be incorporated due to an inaccurate amendatory instruction. This rule includes the correct amendatory instruction.

Finally, this rule corrects a reference to the Chief of the Natural Resources Conservation Service with respect to carrying out certain functions under the Farm Security and Rural Investment Act of 2002 and deletes an obsolete reporting delegation from that Act.

Classification

This rule relates to internal agency management. Accordingly, pursuant to 5 U.S.C. 553, notice of proposed rulemaking and opportunity for comment are not required, and this rule may be made effective less than 30 days after publication in the **Federal Register**. This rule also is exempt from the provisions of Executive Order 12866. This action is not a rule as defined by the Regulatory Flexibility Act, as amended by the Small Business Regulatory Enforcement Fairness Act of 1996, 5 U.S.C. 601 *et seq.*, or the Congressional Review Act, 5 U.S.C. 801 *et seq.*, and thus is exempt from the provisions of those acts. This rule contains no information collection or

recordkeeping requirements under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*).

Airworthiness Directives; Lycoming Engines Fuel Injected Reciprocating Engines

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Final rule.

SUMMARY: We are superseding airworthiness directive (AD) 2011–26–04 for certain fuel injected reciprocating engines manufactured by Lycoming Engines. AD 2011–26–04 required inspection, replacement if necessary, and proper clamping of externally mounted fuel injector fuel lines. This new AD retains the requirements of AD 2011–26–04, and expands the list of affected engine models. This AD was prompted by revised service information that added engine models to the applicability. We are issuing this AD to prevent failure of the fuel injector fuel lines, which could lead to uncontrolled engine fire, engine damage, and damage to the airplane.

DATES: This AD is effective November 3, 2015.

The Director of the Federal Register approved the incorporation by reference of certain publications listed in this AD as of November 3, 2015.

SUPPLEMENTARY INFORMATION:

Discussion

We issued a notice of proposed rulemaking (NPRM) to amend 14 CFR part 39 to supersede AD 2011–26–04, Amendment 39–16894 (76 FR 79051, December 21, 2011), (“AD 2011–26–04”). AD 2011–26–04 applied to certain fuel injected reciprocating engines manufactured by Lycoming Engines. The NPRM published in the **Federal Register** on November 25, 2013 (78 FR 70240). The NPRM was prompted by revised service information that added engine models to the applicability. The NPRM proposed to expand the scope by adding the IO–540–C1C5 and IO–540–D4B5 engine models and requiring inspection, replacement if necessary, and proper clamping of externally mounted fuel injector fuel lines. We are issuing this AD to prevent failure of the fuel injector fuel lines, which could lead to uncontrolled engine fire, engine damage, and damage to the airplane.

Related Service Information Under 14 CFR Part 51

We reviewed Lycoming Engines Mandatory Service Bulletin (MSB) No. 342G, dated July 16, 2013; Supplement No. 1 to MSB No. 342G, dated August 29, 2013; and Supplement No. 2 to MSB No. 342G, dated January 23, 2014. The service information describes procedures for fuel line and support clamp inspection and installation. This service information is reasonably available because the interested parties have access to it through their normal course of business or by the means identified in the **ADDRESSES** section of this AD.
