**SUPPLEMENTARY INFORMATION:** Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of this information collection:

1. *Type of Information Collection:* New Information Collection.
2. *The Title of the Form/Collection:* Request to be included on the List of Pro Bono Legal Service Providers for Individuals in Immigration Proceedings.
3. *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* Form EOIR-56. The applicable component within the Department of Justice is the Office of Legal Access Programs, Executive Office for Immigration Review.
4. *Affected public who will be asked or required to respond, as well as a brief abstract:* Legal service providers seeking to be included on the List of Pro Bono Legal Service Providers ("List"), a list of persons who have indicated their availability to represent aliens on a pro bono basis. Abstract: Currently, there is no EOIR form for organizations, private attorneys, and referral services to be included on the List. The NPRM for the List indicated that there was no specific form or information collection instrument associated with this rule. See 79 FR 55669. However, pursuant to public comments suggesting that EOIR look for alternative electronic methods

through which to make an initial application and apply for continued participation in the List, EOIR has created a fillable pdf. form (Form EOIR-56) for this purpose. Form EOIR-56 is voluntary, and may be used to elicit, in a uniform manner, all of the required information for EOIR to determine whether an applicant meets the eligibility requirements for inclusion on the List.

5. *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* It is estimated that 129 respondents will complete the form annually with an average of 30 minutes per response.

6. *An estimate of the total public burden (in hours) associated with the collection:* There are an estimated 64.5 total annual burden hours associated with this collection.

### Notice of Lodging of Proposed Agreement and Order Regarding Modification of Consent Decree Under the Clean Water Act

On September 23, 2015, the Department of Justice lodged a proposed Agreement and Order Regarding Modification of the Consent Decree ("Consent Decree Modification") with the United States District Court for the Southern District of Texas in the lawsuit entitled *United States and Texas v. Harris County Municipal Utility District Number 50*, Civil Action No. 4:00-cv-01931.

A Consent Decree was entered on September 22, 2000, and pursuant to that Consent Decree, HCMUD50 made improvements that resulted in compliance in most areas, though additional improvements are needed to the sewage collection
