

(11) The Fund's securities lending and reverse repurchase agreement transactions will be made in accordance with the 1940 Act and consistent with the Fund's investment objectives and policies, and will not be used to multiply the risks and returns of income producing assets. The Fund will comply with the regulatory requirements of the Commission to maintain assets as "cover," and maintain segregated accounts as needed. With respect to the reverse repurchase agreements entered into by the Fund that involve obligations to make future payments to third parties, the Fund, in accordance with applicable federal securities laws, rules, and interpretations thereof, will "set aside" liquid assets, or engage in other measures to "cover" open positions with respect to such transactions. These procedures will be adopted consistent with Section 18 of the 1940 Act and related Commission guidance. In addition, the Fund will include appropriate risk disclosure in its offering documents, including leveraging risk. Leveraging risk is the risk that certain transactions of the Fund, including the Fund's use of reverse repurchase agreements, may give rise to leverage, causing the Fund's Shares to be more volatile than if they had not been leveraged.

(12) A minimum of 50,000 Shares will be outstanding at the commencement of trading on the Exchange.

This approval order is based on all of the Exchange's representations, including those set forth above and in the Notice, and the Exchange's description of the Fund. The Commission notes that the Fund and the Shares must comply with the initial and continued listing criteria in Nasdaq Rule 5735 for the Shares to be listed and traded on the Exchange.

For the foregoing reasons, the Commission finds that the proposed rule change is consistent with section 6(b)(5) of the Act<sup>30</sup> and the rules and regulations thereunder applicable to a national securities exchange.

#### IV. Conclusion

It is therefore ordered, pursuant to section 19(b)(2) of the Act,<sup>31</sup> that the proposed rule change (SR-NASDAQ-2015-089), be, and it hereby is, approved.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.<sup>32</sup>
