SUPPLEMENTARY INFORMATION: ONMS serves as the trustee for 14 marine protected areas encompassing more than 170,000 square miles of ocean and Great Lakes waters from the Hawaiian Islands to the Florida Keys, and from Lake Huron to American Samoa. National marine sanctuaries protect our Nation's most vital coastal and marine natural and cultural resources, and through active research, management, and public engagement, sustain healthy environments that are the foundation for thriving communities and stable economies. One of the many ways ONMS ensures public participation in the designation and management of national marine sanctuaries is through the formation of advisory councils. The Sanctuary System Business Advisory Council (Council) has been formed to provide advice and recommendations to the Director regarding the relationship of the ONMS with the business community. Additional information on the Council can be found at <http://sanctuaries.noaa.gov/management/ac/welcome.html>.

Matters To Be Considered: The meeting will provide an opportunity for council representatives to hear how the ONMS is defining its strategic vision, planning for its 50th anniversary, and continuing on a path to engage users and the public in general through new initiatives, techniques, and content. Advisory council representatives will be asked to provide feedback on recent and new outreach and strategic campaigns and initiatives. The agenda is subject to change. The agenda is available at <http://beta2.w1.sanctuaries.woc.noaa.gov/management/bac/meetings.html>.
