SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copy Available
From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE., Washington, DC 20549–2736.

Extension:

Form N–8A. SEC File No. 270–135, OMB Control No. 3235–0175.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the “Commission”) has submitted to the Office of Management and Budget (“OMB”) a request for extension of the previously approved collection of information discussed below.

The Investment Company Act of 1940 (“Investment Company Act”) (15 U.S.C. 80a–1 *et seq.*) requires investment companies to register with the Commission before they conduct any business in interstate commerce. Section 8(a) of the Investment Company Act provides that an investment company shall be deemed to be registered upon receipt by the Commission of a notification of registration in such form as the Commission prescribes. Form N–8A (17 CFR 274.10) is the form for notification of registration that the Commission has adopted under section 8(a). The purpose of such notification of registration provided on Form N–8A is to notify the Commission of the existence of investment companies required to be registered under the Investment Company Act and to enable the Commission to administer the provisions of the Investment Company Act with respect to those companies. After an investment company has filed its notification of registration under section 8(a), the company is then subject to the provisions of the Investment Company Act which govern certain aspects of its organization and activities, such as the composition of its board of directors and the issuance of senior securities. Form N–8A requires an investment company to provide its name, state of organization, form of organization, classification, the name and address of each investment adviser of the investment company, the current value of its total assets, and certain other information readily available to the investment company. If the investment company is filing a registration statement as required by Section 8(b) of the Investment Company Act concurrently with its notification of

registration, Form N–8A requires only that the registrant file the cover page (giving its name, address, and agent for service of process) and sign the form in order to effect registration.

Based on recent filings of notifications of registration on Form N–8A, we estimate that about 92 investment companies file such notifications each year. An investment company must only file a notification of registration on Form N–8A once. The currently approved average hour burden per investment company of preparing and filing a notification of registration on Form N–8A is one hour. Based on the Commission staff’s experience with the requirements of Form N–8A and with disclosure documents generally—and considering that investment companies that are filing notifications of registration on Form N–8A simultaneously with the registration statement under the Investment Company Act are only required by Form N–8A to file a signed cover page—we continue to believe that this estimate is appropriate. Therefore, we estimate that the total annual hour burden to prepare and file notifications of registration on Form N–8A is 92 hours. The currently approved cost burden of Form N–8A is \$443 per filing. We are updating the estimated cost burden to \$449 to account for the effects of inflation. Therefore, we estimate that the total annual cost burden to associated with preparing and filing notifications of registration on Form N–8A is about \$41,308.

Estimates of average burden hours and costs are made solely for the purposes of the Paperwork Reduction Act, and are not derived from a comprehensive or even representative survey or study of the costs of Commission rules and forms. Compliance with the collection of information requirements of Form N–8A is mandatory. Responses to the collection of information will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The public may view the background documentation for this information collection at the following Web site, www.reginfo.gov. Comments should be directed to: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503, or by sending an email to: ShaguftaAhmed@omb.eop.gov; and (ii) Pamela Dyson, Director/Chief Information

Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 100 F Street NE., Washington, DC 20549 or send an email to: *PRA_Mailbox@sec.gov*. Comments must be submitted to OMB within 30 days of this notice.

Dated: October 6, 2015.

Robert W. Errett,
Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-76085; File No. SR-NYSEARCA-2015-86]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing of Proposed Rule Change for New Equity Trading Rules Relating to Auctions for Pillar, the Exchange's New Trading Technology Platform

October 6, 2015.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the "Act")² and Rule 19b-4 thereunder,³ notice is hereby given that, on September 22, 2015, NYSE Arca, Inc. (the "Exchange" or "NYSE Arca") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes new equity trading rules relating to auctions for Pillar, the Exchange's new trading technology platform. The text of the proposed rule change is available on the Exchange's Web site at *www.nyse.com*, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text

of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

On April 30, 2015, the Exchange filed its first rule filing relating to the implementation of Pillar, which is an integrated trading technology platform designed to use a single specification for connecting to the equities and options markets operated by NYSE Arca and its affiliates, New York Stock Exchange LLC ("NYSE") and NYSE MKT LLC ("NYSE MKT").⁴ The Pillar I Filing, which was approved on July 20, 2015, adopted new rules for Trading Sessions, Order Ranking and Display, and Order Execution.⁵ The second rule filing relating to the implementation of Pillar proposes to adopt new rules for Orders and Modifiers and the Retail Liquidity Program.⁶ The third rule filing relating to the implementation of Pillar proposes to adopt new rules for Trading Halts, Short Sales, Limit Up-Limit Down, and Odd Lots and Mixed Lots.⁷

This filing is the fourth and final set of proposed rule changes to support Pillar implementation and is intended to be read together with the rules approved in the Pillar I Filing, and the proposed rule changes in the Pillar II Filing and the Pillar III Filing. As described in the Pillar I Filing, new rules to govern trading on Pillar will have the same numbering as current rules, but with the modifier "P" appended to the rule number. For example, Rule 7.35, governing auctions, would remain unchanged and continue to apply to any trading in symbols on the current trading platform. Proposed Rule 7.35P would govern auctions for

trading in symbols migrated to the Pillar platform. In addition, the proposed new rules to support Pillar in this filing would use the terms and definitions approved in the Pillar I Filing and proposed in the Pillar II Filing and Pillar III Filing.⁸

In this filing, the Exchange proposes new Pillar Rule 7.35P relating to auctions. The Exchange also proposes to change definitions in Rule 1.1.

Rule 1.1 Definitions

Rule 1.1 sets forth definitions. In the Pillar I Filing, the Exchange amended specified definitions and, in the Pillar II Filing and the Pillar III Filing, proposed additional amendments to Rule 1.1.⁹ In this filing, the Exchange proposes to amend Rules 1.1(r) and (s) to specify that these definitions would be applicable only for auctions conducted on the current trading platform.

Current Rule 1.1(r) defines an Imbalance for the purposes of the Opening Auction, the Market Order Auction, the Closing Auction, and the Trading Halt Auction. Current Rule 1.1(s) defines the Indicative Match Price for the Opening Auction, the Market Order Auction, the Closing Auction, and the Trading Halt Auction. As discussed below, the Exchange proposes to define the terms "Imbalance" and "Indicative Match Price" for Pillar in Rule 7.35P, and therefore would not use these terms as defined in current Rules 1.1(r) and (s).

In order to specify that the current Rules 1.1(r) and (s) definitions would be applicable only to trading on the current trading platform, the Exchange proposes to specify that each definition is for purposes of Rule 7.35 and delete the clause in each definition that provides "the Opening Auction, the Market Order Auction, the Closing Auction, and the trading Auction, as the case may be." Because Rule 7.35 governs auctions on the current trading platform, by specifying that these definitions are for purposes of Rule 7.35, these definitions would not be applicable to Rule 7.35P, which will govern auctions on Pillar.

Proposed New Rule 7.35P—Auctions

The Exchange proposes new Rule 7.35P to describe auctions on the Pillar trading platform and is based on current Rule 7.35 and Rules 1.1(r) and (s). Auctions in Pillar would function

In the Pillar I Filing, the Exchange described its proposed implementation of Pillar, including that it would be submitting more than one rule filing to correspond to the anticipated phased migration to Pillar.

⁸ Capitalized terms not proposed to be defined in this filing are the defined terms set forth in the Pillar I Filing, Pillar II Filing, Pillar III Filing, or in Exchange rules.

⁹ As discussed in the Pillar I Filing, *supra* note 4, the Exchange appended the letter "P" for definitions that only would be applicable for symbols trading on the Pillar trading platform.
