This final rule differs from the proposed rule in that it deletes from 32 CFR 1701.24 a list of ODNI Systems of Records Notices (SORNs). The proposed rule would have added the newly published SORNs to this listing. In lieu of revising the ODNI Privacy Act Regulation as SORNs are published or rescinded, ODNI will periodically publish a consolidated list of new, updated or deleted SORNs.

**Public Comments**

None.

**Final Rule: Implementation of Exemption Rule and Systems Notices**

Absent comment or objection from any member of the public, the ODNI has determined to issue the proposed exemption rule in final form and to implement the new and amended systems of records as described. The exemptions proposed are necessary and appropriate to protect intelligence equities undergirding ODNI's mission and functions and, narrowly applied, they do so consistent with privacy principles. By restrictively construing the exemptions to apply only to records that satisfy thresholds articulated in subsection (k), ODNI achieves the goal of balancing intelligence-related equities with fair information principles and values.

*Regulatory Flexibility Act*

This rule affects only the manner in which ODNI collects and maintains information about individuals. ODNI certifies that this rulemaking does not impact small entities and that analysis under the Regulatory Flexibility Act, 5 U.S.C. 601-612, is not required.

*Small Entity Inquiries*

The Small Business Regulatory enforcement Fairness Act (SBREFA) of 1996 requires the ODNI to comply with small entity requests for information and advice about compliance with statutes and regulations within the ODNI jurisdiction. Any small entity that has a question regarding this document may address it to the information contact listed above. Further information regarding SBREFA is available on the Small Business Administration's Web page at <http://www.sba.gov/advo/laws/law-lib.html>.

*Paperwork Reduction Act*

The Paperwork Reduction Act of 1995 944 U.S.C. 3507(d) requires that the ODNI consider the impact of paperwork and other burdens imposed on the public associated with the collection of

information. There are no information collection requirements associated with this rule and therefore no analysis of burden is required.

*Executive Order 12866, Regulatory Planning and Review*

This rule is not a "significant regulatory action," within the meaning of Executive Order 12866. This rule will not adversely affect the economy or a sector of the economy in a material way; will not create inconsistency with or interfere with other agency action; will not materially alter the budgetary impact of entitlements, grants, fees or loans or the right and obligations of recipients thereof; or raise legal or policy issues arising out of legal mandates, the President's priorities or the principles set forth in the Executive Order. Accordingly, further regulatory evaluation is not required.

*Unfunded Mandates*

Title II of the Unfunded Mandates Reform Act of 1995 (UMRA), Public Law 104-4, 109 Stat. 48 (Mar. 22, 1995), requires Federal agencies to assess the effects of certain regulatory actions on State, local and tribal governments, and the private sector. This rule imposes no Federal mandate on any State, local or tribal government or on the private sector. Accordingly, no UMRA analysis of economic and regulatory alternatives is required.

*Executive Order 13132, Federalism*

Executive Order 13132 requires agencies to examine the implications for the distribution of power and responsibilities among the various levels of government resulting from their rules. ODNI concludes that this rule does not affect the rights, roles and responsibilities of the States, involves no preemption of State law and does not limit state policymaking discretion. This rule has no federalism implications as defined by the Executive Order.

*Environmental Impact*

This rulemaking will not have a significant effect on the human environment under the provisions of the National Environmental Policy Act of 1969 (NEPA), 42 U.S.C. 4321-4347.

*Energy Impact*

This rulemaking is not a major regulatory action under the provisions of the Energy Policy and Conservation Act (EPCA), Pub. L. 94-163 as amended, 42 U.S.C. 6362.

**List of Subjects in 32 CFR Part 1701**

### 40 CFR Part 52

[EPA-R06-OAR-2014-0259; FRL-9935-68-Region 6]

### Clean Air Act Redesignation Substitute for the Houston-Galveston-Brazoria 1-Hour Ozone Nonattainment Area; Texas

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Final rule.

**SUMMARY:** The Environmental Protection Agency (EPA) is approving a redesignation substitute demonstration provided by the State of Texas that the Houston-Galveston-Brazoria 1-hour ozone nonattainment area (HGB area) has attained the revoked 1-hour ozone National Ambient Air Quality Standards (NAAQS) due to permanent and enforceable emission reductions, and that it will maintain that NAAQS for ten years from the date of the EPA's approval of this demonstration.

**DATES:** This final rule is effective on November 19, 2015.

**ADDRESSES:** The EPA has established a docket for this action under Docket ID No. EPA-R06-OAR-2014-0259. All documents in the docket are listed on the <http://www.regulations.gov> Web site. ## I. Background

The background for today's action is discussed in detail in our August 18, 2015 proposal (80 FR 49970). In that notice, we proposed to approve the "Redesignation Substitute Report for the Houston-Galveston-Brazoria One-Hour Standard Nonattainment Area" (redesignation substitute report) submitted by TCEQ to EPA on July 22, 2014, that demonstrated attainment with the revoked 1-hour ozone standard. We did not receive any comments regarding our proposal.

## II. Final Action

Based on the Clean Air Act's criteria for redesignation to attainment (CAA section 107(d)(3)(E)) and the regulation for a redesignation substitute (40 CFR 51.1105(b)), EPA is finding that Texas has successfully demonstrated it has met the requirements for a redesignation substitute. In this final action we are
