

researchers, evaluators (including the independent evaluator for the program), practitioners, and other interested parties, including a plan for dissemination of results to stakeholders.

(c) *Other, non-eligibility considerations.* Applicants are encouraged:

(1) To propose projects that will provide employees with important job skills; and

(2) To have experience the following areas:

(i) Community food work, particularly concerning small and medium-size farms, including the provision of food to people in low-income communities and the development of new markets in low-income communities for agricultural producers; and

(ii) Job training and business development activities for food-related activities in low-income communities.

(d) *Partnerships.* Applicants for a grant under this subpart are encouraged to seek and create partnerships with public or private, nonprofit or for-profit entities, including links with academic institutions (including minority-serving colleges and universities) or other appropriate professionals; community-based organizations; local government entities; PromiseZone lead applicant/organization or implementation partners; and StrikeForce area coordinators or partnering entities for the purposes of providing additional Federal resources and strengthening under-resourced communities. Only the applicant must meet the requirements specified in this section for grant eligibility. Project partners and collaborators need not meet the eligibility requirements.

#### **§ 3430.1104 Project types and priorities.**

(a) *FINI Pilot Projects (FPP).* FPPs are aimed at new entrants seeking funding for a project in the early stages of incentive program development.

(b) *FINI Projects (FP).* FPs are aimed at mid-sized groups developing incentive programs at the local or State level.

(c) *FINI Large Scale Projects (FLSP).* FLSPs are aimed at groups developing multi-county, State, and regional incentive programs with the largest target audience of all FINI projects.

#### **§ 3430.1105 Funding restrictions.**

(a) *Construction.* Funds made available for grants under this subpart shall not be used for the construction of a new building or facility or the acquisition, expansion, remodeling, or alteration of an existing building or facility (including site grading and improvement, and architect fees).

(b) *Indirect costs.* Subject to § 3430.54, indirect costs are allowable.

#### **§ 3430.1106 Matching requirements.**

(a) *In general.* Recipients of a grant under this subpart must provide matching contributions on a dollar-for-dollar basis for all Federal funds awarded.

(b) *Source and type.* The non-Federal share of the cost of a project funded by a grant under this subpart may be provided by a State or local government or a private source. The matching requirement in this section may be met through cash or in-kind contributions, including third-party in-kind contributions fairly evaluated, including facilities, equipment, or services.

(c) *Limitation.* If an applicant partners with a for-profit entity, the non-Federal share that is required to be provided by the applicant may not include the services of an employee of that for-profit entity, including salaries paid or expenses covered by that employer.

(d) *Indirect costs.* Use of indirect costs as in-kind matching contributions is subject to § 3430.52(b).

#### **§ 3430.1107 Program requirements.**

The term of a grant under this subpart may not exceed 5 years. No-cost extensions of time beyond the maximum award terms will not be considered or granted.

#### **§ 3430.1108 Priorities.**

(a) *In general.* Except as provided in paragraph (b) of this section, in awarding grants under this subpart, NIFA will give priority to projects that:

(1) Maximize the share of funds used for direct incentives to participants;

(2) Use direct-to-consumer sales marketing;

(3) Demonstrate a track record of designing and implementing successful nutrition incentive programs that connect low-income consumers and agricultural producers;

(4) Provide locally or regionally produced fruits and vegetables;

(5) Are located in underserved communities; or

(6) Address other criteria as established by NIFA and included in the requests for applications.

(b) *Exception.* The priorities in paragraph (a) of this section that are given by NIFA will depend on the project type identified in § 3430.1104. Applicants should refer to the requests for applications to determine which priorities will be given to which project types.

Done at Washington, DC, this 16th day of October, 2015.
