

persons exceeded \$6 million for the previous fiscal year, or if sales are expected to exceed that amount during the current fiscal year, or if purchases of covered services or intellectual property from foreign persons exceeded \$4 million for the previous fiscal year, or they are expected to exceed that amount during the current fiscal year.

The data are needed to monitor U.S. trade in services, to analyze the impact on the U.S. and foreign economies, to compile and improve the U.S. economic accounts, to support U.S. commercial policy on trade in services, to conduct trade promotion, and to improve the ability of U.S. businesses to identify and evaluate market opportunities. The data are used in estimating the services component of the U.S. international transactions accounts and national income and product accounts.

The Bureau of Economic Analysis (BEA) is proposing the following additions and modifications to the current BE-125 survey to increase the quality and usefulness of BEA's published statistics on trade in services:

(1) Two new schedules, Schedules D and E, will be added to collect additional information related to intellectual property and merchanting services. Schedule D is to be completed by a U.S. person who engages in intellectual property transactions with foreign persons. Schedule E is to be completed by a U.S. person who engages in merchanting services transactions with foreign persons.

(2) Several services categories that are currently collected as part of "other selected services" will be collected separately. These services include audiovisual services, artistic-related services, health services, heritage and recreational services, and other personal services.

(3) "Maintenance services" will be collected separately from "installation, alteration, and training services."

BEA estimates the proposed changes will increase the average number of hours per response from 16 hours to 18 hours for those reporting data. The reporting thresholds of the current BE-125 survey will be retained. The effort to keep current reporting thresholds unchanged is intended to minimize respondent burden while considering the needs of data users. Existing language in the instructions and definitions will be reviewed and adjusted as necessary to clarify survey requirements.

Affected Public: Businesses or other for-profit organizations.

Frequency: Quarterly.

Respondent's Obligation: Mandatory.

This information collection request may be viewed at www.reginfo.gov. Follow the instructions to view Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to OIRA_Submission@omb.eop.gov or fax to (202) 395-5806.

Dated: October 21, 2015.

PRA Departmental Lead, Office of the Chief Information Officer.

Based on timely withdrawals of all review requests for certain companies, we are now rescinding the administrative review with respect to 109 companies.

DATES: *Effective Date:* October 26, 2015.

FOR FURTHER INFORMATION CONTACT: Jeffrey Pedersen or Patrick O'Connor, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230, telephone: (202) 482-2769 or (202) 482-0989, respectively.

Background

On January 2, 2015, the Department published a notice of opportunity to request an administrative review of the antidumping duty order on wooden bedroom furniture from the PRC.² In

¹ See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 80 FR 11166 (March 2, 2015) (*Initiation Notice*).

² See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity To Request Administrative Review*, 80 FR 27 (January 2, 2015).

January 2015, the Department received multiple timely requests to conduct an administrative review of the antidumping duty order on wooden bedroom furniture from the PRC. On March 2, 2015, in accordance with section 751(a) of Tariff Act of 1930, as amended (the Act), the Department published in the **Federal Register** a notice of the initiation of an administrative review of that order.³ The administrative review was initiated with respect to 127 companies, and covers the period from January 1, 2014, through December 31, 2014. While a number of companies remain under review, the requesting parties have timely withdrawn all review requests for certain companies, as discussed below.

Rescission of Review, in Part

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if a party that requested the review withdraws its request within 90 days of the date of publication of the notice of initiation of the requested review. All requesting parties withdrew their respective requests for an administrative review of the companies listed in the Appendix within 90 days of the date of publication of *Initiation Notice*. Accordingly, the Department is rescinding this review, in part, with respect to these companies, in accordance with 19 CFR 351.213(d)(1).⁴

Assessment

The Department will instruct U.S. Customs and Border Protection ("CBP") to assess antidumping duties on all appropriate entries. For the companies for which this review is rescinded, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice.

³ See *Initiation Notice*.

⁴ See Appendix. As stated in *Change in Practice in NME Reviews*, the Department will no longer consider the non-market economy ("NME") entity as an exporter conditionally subject to administrative reviews. See *Antidumping Proceedings: Announcement of Change in Department Practice for Respondent Selection in Antidumping Duty Proceedings and Conditional Review of the Nonmarket Economy Entity in NME Antidumping Duty Proceedings*, 78 FR 65963 (November 4, 2013) ("*Change in Practice in NME Reviews*").

Notification to Importers

This notice serves as the only reminder to importers whose entries will be liquidated as a result of this rescission notice, of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's assumption that the reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective orders ("APO") of their responsibility concerning the return or destruction of proprietary information disclosed under an APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(d)(4).

Dated: October 15, 2015.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
