SUPPLEMENTARY INFORMATION: This ICR seeks to extend PRA authority for the Foreign Currency Transactions information collection requirements in Prohibited Transaction Class Exemption (PTE) 1994–20, Foreign Exchange Transactions. The PTE permits, under circumstances the Employee Retirement Income Security Act of 1974 (ERISA) would otherwise preclude, the purchase and sale of foreign currencies between an employee benefit plan and a bank or a broker dealer or an affiliate thereof that is a party in interest with respect to such plan. The exemption imposes recordkeeping and disclosure requirements. Internal Revenue Code section 4975(c)(2) and ERISA section 408(a) authorize this information collection. See 26 U.S.C. 4975(c)(2); 29 U.S.C 1108(a).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this

information collection under Control Number 1210–0085.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on November 30, 2015. The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on June 17, 2015 (80 FR 34696).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the **ADDRESSES** section within thirty (30) days of publication of this notice in the **Federal Register**. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1210–0085. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency’s estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Agency Information Collection Activities; Submission for OMB Review; Comment Request; H-2B Foreign Labor Certification Program

ACTION: Notice.

SUMMARY: On October 30, 2015, the Department of Labor (DOL) will submit the Employment and Training Administration (ETA) sponsored information collection request (ICR) revision titled, "H-2B Foreign Labor Certification Program," to the Office of Management and Budget (OMB) for review and approval for use in accordance with the Paperwork Reduction Act (PRA) of 1995 (44 U.S.C. 3501 *et seq.*). Public comments on the ICR are invited.

Contact Michel Smyth by telephone at 202-693-4129, TTY 202-693-8064, (these are not toll-free numbers) or sending an email to DOL_PRA_PUBLIC@dol.gov.

Authority: 44 U.S.C. 3507(a)(1)(D).

SUPPLEMENTARY INFORMATION: This ICR seeks approval under the PRA for revisions to the H-2B Foreign Labor Certification Program information collection. Before an employer may petition the Department of Homeland Security for any temporary or permanent skilled or unskilled foreign workers, the employer must submit a request for certification to the Secretary of Labor containing elements prescribed by the Immigration and Nationality Act (INA) and its implementing regulations at 8 CFR 214.2(h)(6). The H-2B visa program enables an employer to bring nonimmigrant foreign workers to the U.S. to perform nonagricultural work of a temporary or seasonal nature.

Information collected through Form ETA-9142B, H-2B Application for Temporary Employment Certification, is the basis for the Secretary's determination of whether unemployed U.S. workers are not available to perform the services or labor and U.S. workers' wages and working conditions will not be adversely affected by H-2B workers' employment. The Secretary must issue an affirmative determination before the Department of Homeland Security may approve a petition for H-2B workers. Form ETA-9142B is used to collect information to permit the DOL to meet its statutory responsibilities for administering the H-2B temporary labor certification program.

This ICR also includes Forms ETA-9142B Appendix B and ETA-9155, H-2B Registration. Form ETA-9155 allows the DOL to make a preliminary determination with respect to an employer's temporary need and to issue an H-2B Registration for the employer to use for a period up to three years in connection with subsequent labor certification applications. An H-2B employer must register with the DOL prior to submitting a request for labor certification. Finally, employers in the seafood industry may file the Form ETA-9142B Seafood Attestation in order to avail themselves of the staggered entry provision for H-2B workers enacted by Consolidated and Further Continuing Appropriations Act, 2014 section 113. See Pub. Law 113-235 section 113.

This information collection has been classified as a revision, because of changes to Forms ETA-9142B, ETA-914B-Appendix B, and the Form ETA-

9155 instructions made in response to public comments the ETA received in response to an earlier notice published in the **Federal Register** on July 10, 2015 (80 FR 39801). Immigration and Nationality Act sections 101(a)(15)(H)(ii)(b) and 214(c) and Consolidated Appropriations Act, 2014 section 113 authorize this information collection. See 8 U.S.C. 1011(a)(15)(H)(ii)(b), 1184(c); Public Law 113-76 section 113.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1205-0509. The current approval is scheduled to expire on October 31, 2015; however, the DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. New requirements would only take effect upon OMB approval. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on July 10, 2015 (80 FR 39801).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the **ADDRESSES** section by November 30, 2015. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1205-0509. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
