Proposed Amendments to the Rules of Practice for Trials Before the Patent Trial and Appeal Board; Reopening of Period for Comments

ACTION: Notice of proposed rulemaking; reopening of comment period.

SUMMARY: The Leahy-Smith America Invents Act (AIA) provided for new administrative trial proceedings before the Patent Trial and Appeal Board (Board). The United States Patent and Trademark Office (USPTO) issued a number of final rules and a trial practice guide in August and September of 2012 to implement the new administrative trial provisions of the AIA. The USPTO published a request for comments in the Federal Register on June 27, 2014, seeking public comment on all aspects of the new administrative trial proceedings, including the administrative trial proceeding rules and trial practice guide. In response to comments received by the public, the USPTO issued a first, final rule, which was published on May 19, 2015. That final rule addressed issues concerning the patent owner’s motion to amend and the petitioner’s reply brief that involved ministerial changes. The USPTO issued a second, proposed rule that addresses more involved proposed changes to the rules concerning the claim construction standard for AIA trials, new testimonial evidence submitted with a patent owner’s preliminary response, Rule 11-type certification, and word count for major briefing. The USPTO is now extending the period for public comment on the second, proposed rule until November 18, 2015.

DATES: Written comments on the proposed rule published August 20, 2015 (80 FR 50720) must be received on or before November 18, 2015.

ADDRESSES: Comments must be sent by electronic mail message over the Internet addressed to: Trialrules2015@uspto.gov.

Electronic comments submitted in plain text are preferred, but also may be submitted in ADOBE® portable document format or MICROSOFT® WORD® format. Comments not submitted electronically should be submitted on paper in a format that facilitates convenient digital scanning into ADOBE® portable document format. The comments will be available for viewing via the USPTO’s Internet Web site (http://www.uspto.gov).

Because comments will be made available for public inspection, information that the submitter does not desire to make public, such as an address or phone number, should not be included in the comments.

SUPPLEMENTARY INFORMATION: Sections 3, 6, and 18 of the AIA provided for the following new Board administrative trial proceedings: (1) Inter partes review; (2) post-grant review; (3) covered business method patents review; and (4) derivation proceedings. Public Law 112–29, 125 Stat. 284 (2011). The USPTO issued a number of final rules and a trial practice guide in August and September of 2012 to implement the new administrative trial provisions of the AIA. See Rules of Practice for Trials Before the Patent Trial and Appeal Board, 80 FR 28561–66 (May 19, 2015), and (2) a second, proposed rule that addresses more involved proposed changes to the rules concerning the claim construction standard for AIA trials, new testimonial evidence submitted with a patent owner’s preliminary response, Rule 11-type certification, and word count for major briefing, see Amendments to the Rules of Practice for Trial Before the Patent Trial and Appeal Board, 80 FR 28561–66 (May 19, 2015), and (2) a second, proposed rule that addresses more involved proposed changes to the rules concerning the claim construction standard for AIA trials, new testimonial evidence submitted with a patent owner’s preliminary response, Rule 11-type certification, and word count for major briefing.
