is one week or longer in duration. This rule is categorically excluded from further review under paragraph 34(g) of Figure 2–1 of the Commandant Instruction. An environmental analysis checklist supporting this determination and a Categorical Exclusion Determination are available in the docket where indicated under ADDRESSES.

G. Protest Activities

The Coast Guard respects the First Amendment rights of all individuals and supports the ability to congregate and exercise First Amendment free speech rights safely and without interfering with other maritime traffic. Of particular note, large vessels operating in restricted waters cannot maneuver freely, nor can they stop immediately. As such, any First Amendment activity taking place in immediate proximity to such vessels can quickly result in extremis. Individuals that desire to exercise their First Amendment rights are asked to do so with full regard to vessel traffic conditions and are requested to contact the person listed in the FOR FURTHER INFORMATION CONTACT section to coordinate their activities so that their message can be heard, without jeopardizing the safety or security of people, places, or vessels.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

§ 165.T13–302 Safety Zones; Shell Arctic Drilling/Exploration Vessels, Puget Sound, WA.

(a) Safety Zones—(1) Location. The following areas are designated as safety zones: All waters within 500 yards of the following vessels while transiting within the U.S. Territorial or Internal Waters of the Sector Puget Sound; Captain of the Port Zone as defined in 33 CFR 3.65–10; NOBLE DISCOVERER, POLAR PIONEER, and any other vessel actively engaged in towing or escorting those vessels.

(2) Regulations. In accordance with the general regulations in subpart C of this section, no persons or vessels may enter these safety zones unless authorized by the Captain of the Port, Puget Sound or his designated representative. To request permission to enter one of these safety zones contact the Joint Harbor Operations Center at 206–217–6001, or the on-scene Law Enforcement patrol craft, if any, via VHF–FM CH 16. If permission for entry into one of these safety zones is granted, vessels must proceed at a minimum speed for safe navigation and in accordance with any directions given by the Captain of the Port, Puget Sound or his designated representative.

(b) Dates. This rule will be enforced from October 23, 2015 through December 31, 2015.

Dated: October 23, 2015.

M.W. Raymond,
Captain, U.S. Coast Guard, Captain of the Port, Puget Sound.

SUPPLEMENTARY INFORMATION: In a direct final rule published in the Federal Register on November 28, 2014, 79 FR 70938, VA amended 38 CFR 17.108 to eliminate copayments for mental health peer support services. VA published a companion substantially identical proposed rule at 79 FR 70941, on the same date to serve as a proposal for the revisions in the direct final rule in case adverse comments were received. The direct final rule and proposed rule each provided a 60-day comment period that ended on January 27, 2015. No adverse comments were received. Six comments that supported the rulemaking were received from the general public. One commenter also urged VA to exempt evidence-based, cost-effective primary care services from having a required copayment. This comment is outside the scope of this rulemaking, and therefore, VA is not making any changes to this rulemaking based on this comment.

Under the direct final rule procedures that were described in 79 FR 70938 and 79 FR 70941, the direct final rule became effective on January 27, 2015, because no adverse comments were received within the comment period. In a companion document in this issue of the Federal Register, VA is withdrawing the proposed rulemaking, RIN 2900–AP10, published at 79 FR 70941, as unnecessary.
