Nature and Extent of Confidentiality: There is no need for confidentiality with this collection of information.

Needs and Uses: The collection is being made to the Office of Management (OMB) for the approval of information collection requirements contained in the Commission's Incentive Auction Order, FCC 14–50, which adopted rules for holding an Incentive Auction, as required by the Middle Class Tax Relief and Job Creation Act of 2012 (Spectrum Act). The information gathered in this collection will be used allow Class A television stations to make changes in their authorized facilities. Specifically, Class A stations assigned to a new channel following the Incentive Auction must file a minor change application on FCC Form 2100, Schedule E following release of the Channel Reassignment Public Notice. Under certain circumstances, licensees of stations reassigned to a new channel within their existing band to propose transmission facilities in their construction permit applications that will extend their coverage contours. In addition, there will be a priority processing window for licensees of reassigned stations, UHF-to-VHF stations, or High-VHF-to-Low-VHF stations that, for reasons beyond their control, are unable to construct facilities that meet the technical parameters specified in the Channel Reassignment Public Notice, or the permissible contour coverage variance from those technical parameters specified in section 73.3700(b)(1)(ii) or (iii). Channel share stations file a minor change application for a construction permit for the channel on which the channel sharer operates at least sixty (60) days prior to the date by which it must terminate operations on its pre-auction channel and must include a copy of the channel sharing agreement. In addition, subject to limitations set out in the rules, a Class A licensee of a reassigned station, a UHF-to-VHF station, or a High-VHF-to-Low-VHF station may file a minor change application for a construction permit on FCC Form 2100 Schedule E during a filing window to be announced by the Media Bureau by public notice, in order to request a change in the technical parameters specified in the Channel Reassignment Public Notice with respect to height above average terrain (HAAT), effective radiated power (ERP), or transmitter location that would be considered a minor change under sections 73.3572(a)(1), (2) or 74.787(b). FCC Form 2100, Schedule E is also being modified to accommodate new channel sharing provisions.
