Foreign-Trade Zones Board

[B–80–2015]

Foreign-Trade Zone 38—Spartanburg County, South Carolina; Application for Reorganization (Expansion of Service Area) Under Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board (the Board) by the South Carolina State Ports Authority, grantee of FTZ 38, requesting authority to expand its service area under the alternative site framework (ASF) adopted by the Board (15 CFR Sec. 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of general-purpose zones and can permit significantly greater flexibility in the designation of new subzones or “usage-driven” FTZ sites for operators/users located within a grantee's “service area” in the context of the Board's standard 2,000-acre activation limit for a zone. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a–81u), and the regulations of the Board (15 CFR part 400). It was formally docketed on November 18, 2015.

FTZ 38 was approved by the Board on May 4, 1987 (Board Order 131, 43 FR 20526, May 12, 1978) and reorganized under the ASF on October 7, 2010 (Board Order 1710, 75 FR 65304, October 22, 2010). The zone currently has a service area that includes the Counties of Greenville, Spartanburg, Cherokee, Oconee, Union, Anderson and Laurens, South Carolina.

The applicant is requesting authority to expand the service area of the zone to include Pickens, Greenwood and Abbeville Counties, as described in the application. If approved, the grantee would be able to serve sites throughout the expanded service area based on companies' needs for FTZ designation. The application indicates that the proposed expanded service area is adjacent to the Greenville/Spartanburg Customs and Border Protection port of entry.
