AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

FOR FURTHER INFORMATION CONTACT: Elizabeth Eastwood at (202) 482-3874 (the Republic of Korea (Korea)), David Crespo at (202) 482-3693 (Mexico), or Rebecca Trainor at (202) 482-4007 (the Republic of Turkey (Turkey)); AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington DC 20230.

SUPPLEMENTARY INFORMATION:

Postponement of Preliminary Determinations

On August 10, 2015, the Department of Commerce (the Department) initiated antidumping duty investigations of imports of heavy walled rectangular carbon steel pipes and tubes (HWR pipes and tubes) from Korea, Mexico, and Turkey.¹ The notice of initiation stated that we would issue our preliminary determinations no later than 140 days after the date of initiation. Currently, the preliminary determinations in these investigations are due on December 28, 2015.

On November 30, 2015, Atlas Tube, a division of JMC Steel Group; Bull Moose Tube Company; EXLTUBE; Hannibal Industries, Inc.; Independence Tube Corporation; Maruichi American Corporation; Searing Industries; Southland Tube; and Vest, Inc., U.S.

producers on whose behalf the petitions in these cases were filed (hereafter, the petitioners) made timely requests, pursuant to section 733(c)(1)(A) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.205(e), for a 50-day postponement of the preliminary determinations in the investigations.² The petitioners stated that a postponement of the preliminary determinations in all three HWR pipes and tubes investigations is necessary to provide the Department with sufficient time to reach reasoned preliminary determinations.

Under section 733(c)(1)(A) of the Act, if a petitioner makes a timely request for an extension of the period within which the preliminary determination must be made under subsection (b)(1), then the Department may postpone making the preliminary determination under subsection (b)(1) until not later than the 190th day after the date on which the administering authority initiated the investigation. Therefore, for the reasons stated above, and because there are no compelling reasons to deny the petitioners' requests, the Department is postponing the preliminary determinations in these investigations until February 16, 2016, which is 190 days from the date on which the Department initiated these investigations.

The deadline for the final determinations will continue to be 75 days after the date of the preliminary determinations, unless extended.

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: December 2, 2015.

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

its administrative review of the antidumping duty order on silicomanganese from India for the period of review (POR) May 1, 2014 through April 30, 2015.

DATES: Effective Date: December 8, 2015.

FOR FURTHER INFORMATION CONTACT:

David Lindgren, Office VII, Antidumping and Countervailing Duty Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-3870.

Background

SUPPLEMENTARY INFORMATION: On May 1, 2015, the Department published a notice of opportunity to request an administrative review of the antidumping duty order on silicomanganese from India for the POR.¹ Petitioners,² in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(b), filed a request for an antidumping duty administrative review of two companies: Nava Bharat Ventures Limited (Nava) and Universal Ferro and Allied Chemicals, Ltd. (Universal).³ Subsequently, on July 1, 2015, the Department published a notice of initiation of administrative review with respect to Nava and Universal.⁴ Nava filed a letter on July 8, 2015, with the Department stating that it had no shipments during the POR.⁵ Accordingly, the Department sent a no shipment inquiry to U.S. Customs and Border Protection (CBP) on July 15, 2015, requesting a response within 10 days if there was any information indicating that Nava had shipments during the POR. The Department did not receive any notification from CBP that Nava had shipments during the POR. On August 25, 2015, Petitioners withdrew their request for an antidumping duty administrative review of Nava.⁶

⁶ See Letter from Petitioners, "Silicomanganese from India: Withdrawal of Request for Administrative Review of Antidumping Order," dated August 25, 2015.

Partial Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if the parties that requested the review withdraw the request within 90 days of the date of publication of the notice of initiation of the requested review. Petitioners' August 25, 2015 withdrawal request was submitted within the 90-day period and thus is timely. Because Petitioners' withdrawal of their requests for review is timely and because no other party requested a review of Nava, we are rescinding this review with respect to this company, in accordance with 19 CFR 351.213(d)(1). As the request for an administrative review for Nava was the only request withdrawn, the instant review will continue with respect to Universal.

Assessment

The Department will instruct CBP to assess antidumping duties on all appropriate entries. For Nava, the company for which this review is rescinded, antidumping duties shall be assessed at a rate equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue assessment instructions to CBP 15 days after the date of publication of this notice.

Notification to Importers

This notice serves as the only reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement may result in the presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a final reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

This notice is issued and published in accordance with section 751 of Act and 19 CFR 351.213(d)(4).

Dated: December 2, 2015.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
