SUPPLEMENTARY INFORMATION: The October 6, 2015, Notice identified on page 60353, in the third column toward the bottom of the page, under Section V. Application Review Information, subsection A. Evaluation Criteria, paragraph (1)(a) indicates an “and” between the words “unserved” and “under-served populations”, and an “and” between subparagraphs (i) and (ii), as well as between subparagraphs (i) and (ii) of paragraph (1)(b), which is on page 60354 on the top of the first column. The “and” is being replaced with “or” in each of these locations to indicate the State Director and Administrator can award points if only one of the criterion is met.

Further, on page 60354 of the Notice, under paragraph (1)(b)(i), which is on the top of the first column, the following language is inserted after the phrase “living in poverty.” The period is replaced with a comma and the phrase is being added “a project is located in a community (village, town, city, or Census Designated Place) with median household income of 60 percent or less of the state’s non-metropolitan median household income.”

The changes are being made to ensure REAP maintains consistency with other Agency programs on how poverty areas are defined for State Director and Administrator points and to not restrict points from being awarded if only one criteria is met.

The following Summary of Changes apply to the October 6, 2015, Notice.
