

ACTION: Notice.

SUMMARY: This is a notice, in accordance with 35 U.S.C. 209 and 37 CFR 404, that the National Institute of Drug Abuse, National Institutes of Health, Department of Health and Human Services is contemplating the grant of an exclusive start-up option license to practice the inventions embodied in the following Patent Applications and all related continuing and foreign patents/patent applications for the technology family to EncepHeal Therapeutics, Inc., located in Winston-Salem, North Carolina.

DATES: Only written comments and/or applications for a license which are received by the NCI Technology Transfer Center on or before January 6, 2016 will be considered.

ADDRESSES: Requests for copies of the patent application, inquiries, comments, and other materials relating to the contemplated exclusive license should be directed to Martha Lubet, Ph.D., Technology Transfer Specialist, NCI TTC, 9609 Medical Center Drive, Room IE350, and Rockville, MD 20850. Telephone: (240) 276-5508. Facsimile: (240) 276-5505. Email: lubetm@mail.nih.gov.

SUPPLEMENTARY INFORMATION: This invention concerns analogues of modafinil and methods of using the analogues for the treatment of substance use disorders and sleep disorders.

The prospective exclusive start-up option license will be royalty bearing and will comply with the terms and conditions of 35 U.S.C. 209 and 37 CFR part 404. The prospective exclusive start-up option may be granted unless within fifteen (15) days from the date of this published notice, the NCI receives written evidence and argument that establishes that the grant of the license would not be consistent with the requirements of 35 U.S.C. 209 and 37 CFR part 404.

Complete applications for a license in the field of use filed in response to this notice will be treated as objections to the grant of the contemplated exclusive start-up option license. Comments and objections submitted to this notice will not be made available for public inspection and, to the extent permitted by law, will not be released under the Freedom of Information Act, 5 U.S.C. 552.

Intellectual Property:

Submission for OMB review; 30-Day Comment Request; Collection of Customer Service, Demographic, and Smoking/Tobacco Use Information From the National Cancer Institute's Cancer Information Service (CIS) Clients (NCI)

SUMMARY: Under the provisions of Section 3507(a)(1)(D) of the Paperwork Reduction Act of 1995, the National Cancer Institute (NCI), the National Institutes of Health (NIH), has submitted to the Office of Management and Budget (OMB) a request for review and approval of the information collection listed below. This proposed information collection was previously published in the **Federal Register** on September 28, 2015, Vol. 80, page 58268 and allowed 60-days for public comment. One public comment was received. The purpose of this notice is to allow an additional 30 days for public comment. The National Cancer Institute (NCI), National Institutes of Health, may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number.

DATES: *Comment Due Date:* Comments regarding this information collection are best assured of having their full effect if received within 30-days of the date of this publication.

FOR FURTHER INFORMATION CONTACT: To obtain a copy of the data collection plans and instruments or request more

information on the proposed project contact: Mary Anne Bright, NCI Office of Communications and Public Liaison, 9609 Medical Center Drive, Rockville, MD 20850 or call non-toll-free number 240-276-6647 or Email your request, including your address to: brightma@mail.nih.gov. Formal requests for additional plans and instruments must be requested in writing.

Direct Comments to OMB: Written comments and/or suggestions regarding the item(s) contained in this notice, especially regarding the estimated public burden and associated response time, should be directed to the: Office of Management and Budget, Office of Regulatory Affairs, *OIRA_submission@omb.eop.gov* or by fax to 202-395-6974, Attention: NIH Desk Officer.

SUPPLEMENTARY INFORMATION:

Proposed Collection: Collection of Customer Service, Demographic, and Smoking/Tobacco use Information from the National Cancer Institute's Cancer Information Service (CIS) Clients (NCI), 0925-0208, Expiration Date December 31, 2015, Revision, National Cancer Institute (NCI), National Institute of Health (NIH).

Need and Use of Information Collection. The National Cancer Institute (NCI) currently collects: (1) Customer service and demographic information from clients of the Cancer Information Service (CIS) in order to properly plan, implement, and evaluate cancer education efforts, including assessing the extent by which the CIS reaches and impacts underserved populations; (2) smoking/tobacco use behavior of individuals seeking NCI's smoking cessation assistance through the CIS in order to provide smoking cessation services tailored to the individual client's needs and track their smoking behavior at follow up. This is a request for OMB to approve a revised submission for an additional three years to provide ongoing customer service collection of demographic information, and collection of brief customer satisfaction questions from NCI Cancer Information Service (CIS) Clients for the purpose of program planning and evaluation.

OMB approval is requested for 3 years. There are no costs to respondents other than their time. The total estimated annualized burden hours are 3,387.
