On December 3, 2015, the Commission issued an order denying a complaint filed by Sage Grouse Energy Project, LLC (Sage Grouse) against PacifiCorp under Rule 206(a) of the Commission's Rules of Practice and Procedure.¹ On December 16, 2015, Sage Grouse filed a motion for extension of time and waiver, asking the Commission to grant a 30-day extension of time for Sage Grouse to determine whether to file a request for rehearing of the December 3 Order.

Moreover, the courts and the Commission have repeatedly recognized that the time period by which a party may file an application for rehearing of a

Commission order is statutorily established at 30 days and that the Commission has no discretion to extend that deadline.³ Because the 30-day rehearing deadline is a statutory deadline, it cannot be extended, and Sage Grouse's request for a 30-day extension must therefore be rejected.
