Maritime Administration

Funding Availability for Small Shipyard Grant Program; Application Deadline

AGENCY: Maritime Administration, Department of Transportation.

ACTION: Notice of funding availability.

SUMMARY: Under the Small Shipyard Grant Program, there is currently \$4,900,000 available for grants for capital and related improvements to qualified shipyard facilities that will be effective in fostering efficiency, competitive operations, and quality ship construction, repair, and reconfiguration. This notice announces the intention of the Maritime Administration to provide grants to small shipyards. Catalog of Federal Domestic Assistance Number: 20.814. Potential applicants are advised that it is expected, based on past experience, that the number of applications will far exceed the funds available and that only a small percentage of applications will be funded. It is anticipated that about 5-10 applications will be selected for funding with an average grant amount of about \$1 million.

DATES: The period for submitting grant applications commenced with the enactment of the Consolidated Appropriations Act, 2016, on December 18, 2015. Applications must be received by the Maritime Administration by 5 p.m. EST on February 16, 2016. Applications received later than this time will not be considered. The Maritime Administration intends to award grants no later than April 18, 2016.

ADDRESSES: Grant Applications should be sent to the Associate Administrator for Business and Finance Development, Room W21-318, Maritime Administration, 1200 New Jersey Avenue SE., Washington, DC 20590. Only applicants who comply with all submission requirements described in this Notice will be eligible for award.

FOR FURTHER INFORMATION CONTACT: For further information concerning this notice, please contact David M. Heller, Director, Office of Shipyards and Marine Engineering, Maritime Administration, Room W21-318, 1200 New Jersey Ave. SE., Washington, DC 20590; phone: (202) 366-5737; or fax: (202) 366-6988.

SUPPLEMENTARY INFORMATION: Grants under the Maritime Administration's Small Shipyard Grant Program may not be used to construct buildings or other physical facilities or to acquire land

unless such use is specifically approved by the Maritime Administration as being consistent with, and supplemental to, capital and related infrastructure improvements. Grant funds may also be used for maritime training programs to foster technical skills and operational productivity in communities, the economies of which are related to or dependent upon the maritime industry. Grants for such training programs may only be awarded to "Eligible Applicants" as described below, but training programs can be established through vendors to such applicants.

A. Program Description

The Small Shipyard Grant program was established under Section 3508(a) of the Duncan Hunter National Defense Authorization Act for Fiscal Year 2009 (Pub. L. 110-417), codified at 46 U.S.C. 54101. The statute authorizes the Maritime Administrator to provide assistance in the form of grants to make capital and related improvements in small shipyards located in or near maritime communities and to provide training for workers in communities whose economies are related to the maritime industry. The Consolidated Appropriations Act, 2016, appropriated \$5,000,000 to the Small Shipyard Grant program to include administrative expenses. The purpose of the program is to foster efficiency, competitive operations, and quality ship construction, repair, and reconfiguration in small shipyards across the United States. The program also seeks to foster projects that would be effective in fostering employee skills and enhancing productivity in communities whose economies are related to or dependent upon the maritime industry.

B. Federal Award Information

Under the Small Shipyard Grant program, there is currently \$4,900,000 available for grants for capital and related improvements to qualified shipyard facilities that will be effective in fostering efficiency, competitive operations, and quality ship construction, repair, and reconfiguration and for training projects that would be effective in fostering employee skills and enhancing productivity. The Maritime Administration intends to award the full amount of the available
