SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270-440, OMB Control No. 3235-0496]

Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE., Washington, DC 20549-2736.

Extension:

Appendix F to Rule 15c3-1.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) ("PRA"), the Securities and Exchange Commission ("Commission") is soliciting comments on the existing collection of information provided for in Appendix F to Rule 15c3-1 ("Appendix F" or "Rule 15c3-1f") (17 CFR 240.15c3-1f) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*). The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Appendix F requires a broker-dealer choosing to register, upon Commission approval, as an OTC derivatives dealer to develop and maintain an internal risk management system based on Value-at-Risk ("VaR") models. It is anticipated that a total of one (1) broker-dealer registering as an OTC derivatives dealer will spend 1,000 hours on a one-time basis complying with the system development requirements of Rule 15c3-1f, for an estimated one-time initial startup burden of approximately 1,000 hours. Appendix F also requires the OTC derivatives dealer to maintain its system model according to certain prescribed standards. It is anticipated that the four (4) OTC derivatives dealers currently registered with the Commission will each spend 1,000 hours per year maintaining the system model required by Rule 15c3-1f, for an estimated recurring annual burden of approximately 4,000 hours. It is anticipated that the one (1) broker-dealer registering as an OTC derivatives dealer will spend 1,000 hours maintaining the system model required by Rule 15c3-1f in each year following its registration. Thus, the total industry-wide burden is estimated to be approximately 5,000 hours (4,000 hours + 1,000 hours) for the first year and 5,000 hours for each subsequent year.¹

The records required to be kept pursuant to Appendix F and results of periodic reviews conducted pursuant to Rule 15c3-4 generally must be preserved under Rule 17a-4 of the Exchange Act (17 CFR 240.17a-4) for a period of not less than three years, the first two years in an easily accessible place. The Commission will not generally publish or make available to any person notices or reports received pursuant to the Rule. The statutory basis for the Commission's refusal to disclose such information to the public is the exemption contained in Section (b)(4) of the Freedom of Information Act (5 U.S.C. 552), which essentially provides that the requirement of public dissemination does not apply to commercial or financial information which is privileged or confidential.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility;

¹ The Commission estimates that a total of five entities will be registered as OTC derivatives dealers at the end of the next three years, consisting of the four current OTC derivatives dealers and one anticipated registrant. This is in contrast with the prior estimate of eight OTC derivatives dealers, consisting of four current OTC derivatives dealers and four anticipated registrants.

(b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

Please direct your written comments to: Pamela Dyson, Director/Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 100 F Street NE., Washington, DC 20549 or send an email to:

Dated: January 5, 2016.

Summary of the Application

1. Applicants request an order to permit (a) a Fund¹ (each a “Fund of

¹ Applicants request that the order apply to each existing and future series of the Trust and to each existing and future registered open-end investment

Funds”) to acquire shares of Underlying Funds² in excess of the limits in sections 12(d)(1)(A) and (C) of the Act and (b) each Underlying Fund that is a registered open-end investment company or series thereof, the Distributor or any principal underwriter and any broker or dealer registered under the Exchange Act to sell shares of the Underlying Fund to the Fund of Funds in excess of the limits in section 12(d)(1)(B) of the Act.³ Applicants also request an order of exemption under sections 6(c) and 17(b) of the Act from the prohibition on certain affiliated transactions in section 17(a) of the Act to the extent necessary to permit the Underlying Funds to sell their shares to, and redeem their shares from, the Funds of Funds.⁴ Applicants state that such transactions will be consistent with the policies of each Fund of Funds and each Underlying Fund and with the general purposes of the Act and will be based on the net asset values of the Underlying Funds.

2. Applicants agree that any order granting the requested relief will be subject to the terms and conditions stated in the application. Such terms and conditions are designed to, among other things, help prevent any potential (i) undue influence over an Underlying Fund that is not in the same “group of

company or series thereof that is advised by Ascendant or its successor-in-interest or by any entity controlling, controlled by or under common control with Ascendant or its successor-in-interest and is part of the same “group of investment companies” as the Trust (each, a “Fund”). For purposes of the requested order, “successor-in-interest” is limited to an entity that results from a reorganization into another jurisdiction or a change in the type of business organization. For purposes of the request for relief, the term “group of investment companies” means any two or more investment companies, including closed-end investment companies and business development companies, that hold themselves out to investors as related companies for purposes of investment and investor services.

² Certain of the Underlying Funds have obtained exemptions from the Commission necessary to permit their shares to be listed and traded on a national securities exchange at negotiated prices and, accordingly, to operate as exchange-traded funds (“ETFs”).

³ Applicants do not request relief for the Funds of Funds to invest in business development companies or closed-end investment companies that are not listed on a national securities exchange.

⁴ A Fund of Funds generally would purchase and sell shares of an Underlying Fund that operates as an ETF through secondary market transactions rather than through principal transactions with the Underlying Fund. Applicants nevertheless request relief from section 17(a) to permit a Fund of Funds to purchase or redeem shares from the ETF. A Fund of Funds will purchase and sell shares of an Underlying Fund that is a closed-end fund through secondary market transactions at market prices rather than through principal transactions with the closed-end fund. Accordingly, applicants are not requesting section 17(a) relief with respect to transactions in shares of closed-end funds (including business development companies).

investment companies” as the Fund of Funds through control or voting power, or in connection with certain services, transactions, and underwritings, (ii) excessive layering of fees, and (iii) overly complex fund structures, which are the concerns underlying the limits in sections 12(d)(1)(A), (B), and (C) of the Act.

3. Section 12(d)(1)(J) of the Act provides that the Commission may exempt any person, security, or transaction, or any class or classes of persons, securities, or transactions, from any provision of section 12(d)(1) if the exemption is consistent with the public interest and the protection of investors. Section 17(b) of the Act authorizes the Commission to grant an order permitting a transaction otherwise prohibited by section 17(a) if it finds that (a) the terms of the proposed transaction are fair and reasonable and do not involve overreaching on the part of any person concerned; (b) the proposed transaction is consistent with the policies of each registered investment company involved; and (c) the proposed transaction is consistent with the general purposes of the Act. Section 6(c) of the Act permits the Commission to exempt any persons or transactions from any provision of the Act if such exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act.

For the Commission, by the Division of Investment Management, pursuant to delegated authority.

Robert W. Errett,
Deputy Secretary.
