

In accordance with section 703(d) of the Act, we later issued instructions to CBP to discontinue the suspension of liquidation for CVD purposes for subject merchandise entered, or withdrawn from warehouse, on or after October 27, 2015, but to continue the suspension of liquidation of all entries from June 29, 2015, through October 26, 2015, as appropriate.

We will issue a CVD order and reinstate the suspension of liquidation in accordance with our final determination and under section 706(a) of the Act if the United States International Trade Commission (ITC) issues a final affirmative injury determination, and we will instruct CBP to require a cash deposit of estimated countervailing duties for such entries of merchandise in the amounts indicated above. If the ITC determines that material injury, or threat of material injury, does not exist, this proceeding will be terminated and all estimated duties deposited as a result of the suspension of liquidation will be refunded.

International Trade Commission (ITC) Notification

In accordance with section 705(d) of the Act, we will notify the ITC of our determination. In addition, we are making available to the ITC all non-privileged and non-proprietary information related to this investigation. We will allow the ITC access to all privileged and business proprietary information in our files, provided the ITC confirms that it will not disclose such information, either publicly or under an administrative protective order (APO), without the written consent of the Assistant Secretary for Enforcement and Compliance.

Return or Destruction of Proprietary Information

This notice serves as the only reminder to parties subject to the administrative protective order (APO) of their responsibility concerning the destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This determination is issued and published pursuant to sections 705(d) and 777(i) of the Act.

Dated: January 8, 2016.

Paul Piquado,

Assistant Secretary for Enforcement and Compliance.

Scope of the Investigation

The merchandise covered by the investigation includes uncoated paper in sheet form; weighing at least 40 grams per square meter but not more than 150 grams per square meter; that either is a white paper with a GE brightness level¹ of 85 or higher or is a colored paper; whether or not surface-decorated, printed (except as described below), embossed, perforated, or punched; irrespective of the smoothness of the surface; and irrespective of dimensions (Certain Uncoated Paper).

Certain Uncoated Paper includes (a) uncoated free sheet paper that meets this scope definition; (b) uncoated ground wood paper produced from bleached chemi-thermo-mechanical pulp (BCTMP) that meets this scope definition; and (c) any other uncoated paper that meets this scope definition regardless of the type of pulp used to produce the paper.

Specifically excluded from the scope are (1) paper printed with final content of printed text or graphics and (2) lined paper products, typically school supplies, composed of paper that incorporates straight horizontal and/or vertical lines that would make the paper unsuitable for copying or printing purposes. For purposes of this scope definition, paper shall be considered "printed with final content" where at least one side of the sheet has printed text and/or graphics that cover at least five percent of the surface area of the entire sheet.

Imports of the subject merchandise are provided for under Harmonized Tariff Schedule of the United States (HTSUS) categories 4802.56.1000, 4802.56.2000, 4802.56.3000, 4802.56.4000, 4802.56.6000, 4802.56.7020, 4802.56.7040, 4802.57.1000, 4802.57.2000, 4802.57.3000, and 4802.57.4000. Certain Uncoated Paper From Portugal: Final Determination of Sales at Less Than Fair Value and Final Negative Determination of Critical Circumstances

AGENCY: Enforcement and Compliance, International Trade Administration, Commerce.

SUMMARY: The Department of Commerce ("the Department") determines that certain uncoated paper ("uncoated paper") from Portugal is being, or is likely to be, sold in the United States at less than fair value ("LTFV"), as provided in section 735(a) of the Tariff Act of 1930, as amended ("the Act"). The period of investigation ("POI") is January 1, 2014, through December 31, 2014. The final dumping margins of sales at LTFV are listed below in the "Final Determination" section of this notice.

DATES: *Effective:* January 20, 2016.

FOR FURTHER INFORMATION CONTACT: Kabir Archuletta, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-2593.

SUPPLEMENTARY INFORMATION:

Background

On August 26, 2015, the Department published the *Preliminary Determination* of this antidumping duty (“AD”) investigation.¹ The following events occurred since the *Preliminary Determination* was issued.

Between September and December 2015, the Department received supplemental questionnaire responses and revised databases from Portucel S.A. (“Portucel”), the sole mandatory respondent in this investigation.

On December 4, 2015, Petitioners² and Portucel submitted properly filed case briefs.³ On December 9, 2015, Petitioners and Portucel submitted properly filed rebuttal briefs.⁴

Scope of the Investigation and Scope Comments

The product covered by this investigation is uncoated paper from Portugal. For a complete description of the scope of the investigation, see the “Scope of the Investigation,” in Appendix I of this notice, which incorporates changes made subsequent to the *Preliminary Determination*.

On October 2, 2015, Gartner Studios submitted a case brief regarding the scope of the investigations. On October 19, 2015, American Greetings Corporation (“American Greetings”) submitted a case brief regarding the scope of the investigations.⁵ On October 29, 2015, Petitioners submitted a rebuttal brief regarding the scope of the investigations.⁶ The Department is issuing a scope comments decision

memorandum for the final determinations of the AD and countervailing duty investigations of uncoated paper, which is incorporated by reference in, and hereby adopted by, this final determination.⁷ As explained in the Final Scope Decision Memorandum, to facilitate the scope’s administrability and enforcement, we have clarified the scope language such that uncoated paper with “final printed content” is excluded from the scope of the investigations.

Analysis of Comments Received

All issues raised in the case and rebuttal briefs by parties in this investigation are addressed in the Issues and Decision Memorandum, which is hereby adopted by this notice.⁸ A list of the issues raised is attached to this notice as Appendix II. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (“ACCESS”). ACCESS is available to registered users at <https://access.trade.gov> and it is available to all parties in the Central Records Unit, room B–8024 of the main Department of Commerce building. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/index.html>. The signed and electronic versions of the Issues and Decision Memorandum are identical in content.

Verification

As provided in section 782(i) of the Act, in September and October 2015, the Department verified the sales and cost data reported by Portucel, pursuant to section 782(i) of the Act. We used standard verification procedures, including an examination of relevant accounting and production records, and

original source documents provided by Portucel.⁹

Changes Since the Preliminary Determination

Based on our analysis of the comments received and our findings at verification, we made certain changes to the margin calculations for Portucel. For a discussion of these changes, see the “Margin Calculations” section of the Issues and Decision Memorandum. We have also revised the all-others rate.

All-Others Rate

Section 735(c)(5)(A) of the Act provides that the estimated all-others rate shall be an amount equal to the weighted-average of the estimated weighted-average dumping margins established for exporters and producers individually investigated excluding any zero or *de minimis* margins, and margins determined entirely under section 776 of the Act. Portucel is the only respondent for which the Department calculated a company-specific rate. Therefore, for purposes of determining the all-others rate and pursuant to section 735(c)(5)(A) of the Act, we are using the dumping margin calculated for Portucel, as referenced in the “Final Determination” section below.

Final Determination

The Department determines that the final weighted-average dumping margins are as follows:

⁹ See Memorandum to the File, through Neal Halper, Office Director, and Taija Slaughter, Lead Accountant, from Stephanie Arthur, Senior Accountant, “Verification of the Cost Response of Portucel S.A. in the Antidumping Duty Investigation of Uncoated Paper from Portugal” (November 12, 2015); Memorandum to the File, through Catherine Bertrand, Program Manager, Office V, from Kabir Archuletta and Frances Veith, Senior International Trade Analysts, “Verification of Home Market Sales of Portucel S.A. (‘Portucel’) in the Antidumping Duty Investigation of Certain Uncoated Paper from Portugal” (November 24, 2015); Memorandum to the File, through Catherine Bertrand, Program Manager, Office V, from Kabir Archuletta and Frances Veith, Senior International Trade Analysts, “Verification of U.S. Sales of Portucel S.A. (‘Portucel’) in the Antidumping Duty Investigation of Certain Uncoated Paper from Portugal” (November 24, 2015).

¹⁰ In the *Preliminary Determination* we found that Portucel is affiliated with sales subsidiaries Portucel Soporcel Lusa, Unipessoal, Lda. (“Lusa”), and Portucel Soporcel Fine Paper, S.A. (“Fine Paper”), production subsidiaries About the Future, S.A. (“About the Future”), Portucel Papel Setubal, S.A. (“Setubal”), and Soporcel, Sociedade Portuguesa de Papel, S.A. (“Soporcel”) and U.S. subsidiary Portucel Soporcel North America, Inc., pursuant to sections 771(33)(B), (E) and (F) of the Act, and that Portucel, Fine Paper, Lusa, About the Future, Setubal and Soporcel are a single entity for purposes of the Department’s analysis in this investigation, in accordance with 19 CFR 351.401(f). Disclosure

We will disclose the calculations performed to interested parties within five days of the public announcement of this final determination in accordance with 19 CFR 351.224(b).

Final Negative Determination of Critical Circumstances

On November 4, 2015, the Department found that critical circumstances exist with respect to imports of uncoated paper from Portugal from Portucel and all other exporters or producers.¹¹ Based on Portucel's final dumping margin and further analysis following the *Preliminary Critical Circumstances Determination*, we are modifying our findings for the final determination. For a complete discussion of this issue, see the "Negative Finding of Critical Circumstances" section of the Issues and Decision Memorandum.

Continuation of Suspension of Liquidation

In accordance with section 735(c)(1)(B) of the Act, the Department will instruct U.S. Customs and Border Protection ("CBP") to continue to suspend liquidation of all appropriate entries of uncoated paper from Portugal, as described in Appendix I of this notice, which were entered, or withdrawn from warehouse, for consumption on or after August 26, 2015, the date of publication of the *Preliminary Determination* of this investigation in the **Federal Register**.

Further, CBP shall require a cash deposit equal to the estimated amount by which the normal value exceeds the U.S. price, as follows: (1) The rate for Portucel will be the rate we determined in this final determination; (2) if the exporter is not a firm identified in this investigation but the producer is, the rate will be the rate established for the producer of the subject merchandise; (3) the rate for all other producers or

Memorandum to the File from Kabir Archuletta, Senior International Trade Analyst, Office V, through Catherine Bertrand, Program Manager, Office V "Preliminary Affiliation Memorandum" (August 19, 2015). Because no interested parties submitted comments on this issue, the Department's determination remains unchanged for this final determination.

¹¹ See *Certain Uncoated Paper From Portugal: Preliminary Affirmative Determination of Critical Circumstances in the Antidumping Duty Investigation*, 80 FR 68293, 68294–5 (November 4, 2015) ("*Preliminary Critical Circumstances Determination*").

exporters will be 7.80 percent. These instructions suspending liquidation will remain in effect until further notice.

Because of our negative determination of critical circumstances, we will instruct CBP to refund all cash deposits posted on merchandise under consideration from Portugal entered, or withdrawn from warehouse for consumption, prior to August 26, 2015 (*i.e.*, the date of publication of the *Preliminary Determination*).

ITC Notification

In accordance with section 735(d) of the Act, we will notify the ITC of the final affirmative determination of sales at LTFV. Because the final determination in this proceeding is affirmative, in accordance with section 735(b)(2) of the Act, the ITC will make its final determination as to whether the domestic industry in the United States is materially injured, or threatened with material injury, by reason of imports of uncoated paper from Portugal no later than 45 days after our final determination. If the ITC determines that material injury or threat of material injury does not exist, the proceeding will be terminated and all cash deposits will be refunded. If the ITC determines that such injury does exist, the Department will issue an antidumping duty order directing CBP to assess, upon further instruction by the Department, antidumping duties on all imports of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the effective date of the suspension of liquidation.

Notification Regarding Administrative Protective Orders ("APO")

This notice serves as a reminder to parties subject to APO of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and the terms of an APO is a violation subject to sanction.

This determination and this notice are issued and published pursuant to sections 735(d) and 777(i)(1) of the Act.

Dated: January 8, 2016.

Paul Piquado,

Assistant Secretary for Enforcement and Compliance.

SUPPLEMENTARY INFORMATION:

Background

On August 26, 2015, the Department published the *Preliminary Determination* of this antidumping duty (AD) investigation.¹ The following events occurred since the *Preliminary Determination* was issued.

On August 27, 2015, sole respondent Paper Australia Pty. Ltd. (Australian Paper) withdrew its participation from this investigation, stating that "due to

the significant preliminary dumping margin," it was suspending its participation in the U.S. market "pending the final determination on Injury."²

On August 28, 2015, the Department notified interested parties of a revised, accelerated briefing schedule due to the lack of participation from the sole respondent, Australian Paper, which resulted in the cancellation of verification of its questionnaire responses.³ On September 24, 2015, the Department granted Petitioners'⁴ request to extend the briefing schedule.⁵ On October 2, 2015, Petitioners submitted a case brief.

Scope of the Investigation and Scope Comments

The product covered by this investigation is certain uncoated paper from Australia. For a complete description of the scope of the investigation, see the "Scope of the Investigation," in Appendix I of this notice, which incorporates changes made subsequent to the *Preliminary Determination*.

On October 2, 2015, Gartner Studios submitted its case brief regarding the scope of the investigations.⁶ On October 6, 2015, the Department revised the briefing schedule for scope comments and rebuttal comments.⁷ On October 19, 2015, American Greetings Corporation (American Greetings) submitted its case brief regarding the scope of the investigations.⁸ On October 29, 2015,

⁶ Because there are multiple investigations of uncoated paper, the Department has considered collectively all comments regarding the scope of the investigations filed by the interested parties.

⁷ See Memorandum titled, "Revised Briefing Schedule for Scope Comments and Rebuttal Comments," dated October 6, 2015.

⁸ See Letter from American Greetings titled, "Certain Uncoated Paper From Australia, Brazil, The People's Republic of China, Indonesia, and Portugal: Case Brief of American Greetings Corporation," dated October 19, 2015.

Petitioners submitted their rebuttal brief regarding the scope of the investigations.⁹ The Department is issuing a scope comments decision memorandum for the final determinations of the AD and countervailing duty investigations of certain uncoated paper, which is incorporated by reference in, and hereby adopted by, this final determination.¹⁰ As explained in the Final Scope Decision Memorandum, to facilitate the scope's administrability and enforcement, we have clarified the scope language such that certain uncoated paper with "final printed content" is excluded from the scope of the investigations.

Analysis of Comments Received

All issues raised in the case and rebuttal briefs by interested parties in this investigation that are not related to the scope of this investigation are addressed in the Issues and Decision Memorandum, which is incorporated by reference by, and hereby adopted by, this notice.¹¹
