**DEPARTMENT OF THE INTERIOR**

**Office of Natural Resources Revenue**

[Docket No. ONRR-2011-0002; DS63610000  
DR2000000.CH7000 167D0102R2]

**States' Decisions on Participating in  
Accounting and Auditing Relief for  
Federal Oil and Gas Marginal  
Properties**

**AGENCY:** Office of Natural Resources  
Revenue (ONRR), Interior.

**ACTION:** Notice.

**SUMMARY:** Final regulations that ONRR  
published September 13, 2004 (69 FR  
55076), provide two types of accounting  
and auditing relief for Federal onshore  
or Outer Continental Shelf lease  
production from marginal properties. As  
the regulations require, ONRR provided  
a list of qualifying marginal Federal oil  
and gas properties to States that  
received a portion of Federal royalties.  
Each State then decided whether to  
participate in one or both relief options.  
For calendar year 2016, we provide in  
this notice the affected States' decisions  
to allow one or both types of relief.

**DATES:** Effective January 1, 2016.

**FOR FURTHER INFORMATION CONTACT:**  
Maroya Faied, Economic and Market  
Analysis office, at (303) 231-3744; or  
email at [maroya.faied@onrr.gov](mailto:maroya.faied@onrr.gov).

**SUPPLEMENTARY INFORMATION:** The  
regulations, codified at 30 CFR part  
1204, subpart C, implement certain  
provisions of section 7 of the Federal  
Oil and Gas Royalty Simplification and  
Fairness Act of 1996 (RSFA) (30 U.S.C.  
1726), which allows States to relieve the  
lessees of marginal properties from  
certain reporting, accounting, and  
auditing requirements. States make an  
annual determination of whether or not  
to allow relief. Two options for relief are  
provided: (1) Notification-based relief  
for annual reporting; and (2) other  
requested relief, as industry proposed  
and ONRR and the affected State  
approved. The regulations require  
ONRR to publish by December 1 of each  
year a list of the States and their  
decisions regarding marginal property  
relief.

To qualify for the first relief option  
(notification-based relief) for calendar  
year 2016, properties must produce less  
than 1,000 barrels-of-oil-equivalent  
(BOE) per year for the base period (July  
1, 2014, through June 30, 2015). Annual  
reporting relief will begin January 1,  
2016, with the annual report and  
payment due February 28, 2017, or  
March 31, 2017, if you have an  
estimated payment on file. To qualify  
for the second relief option (other  
requested relief), the combined  
equivalent production of the marginal  
properties during the base period must  
equal an average daily well production  
of less than 15 BOE per well, per day  
calculated under 30 CFR 1204.4(c).

The following table shows the States  
that have qualifying marginal properties  
and the States' decisions to allow one or  
both forms of relief.

State	Notification-based relief (less than 1,000 BOE per year)	Request-based relief (less than 15 BOE per well per day)
Alabama .....	No .....	No.
Arkansas .....	No .....	No.
California .....	No .....	No.
