LEGAL SERVICES CORPORATION

Request for Letters of Intent To Apply for 2016 Pro Bono Innovation Fund Grants

AGENCY: Legal Services Corporation.

ACTION: Notice.

SUMMARY: The Legal Services Corporation (LSC) issues this Notice describing the conditions under which Letters of Intent to Apply for 2016 funding will be received for the Pro Bono Innovation Fund. On December 18, 2015, Congress provided \$4 million for the Pro Bono Innovation Fund through the Consolidated Appropriations Act for 2016.

DATES: Letters of Intent must be submitted by 5:00 p.m. EST on March 28, 2016.

ADDRESSES: Letters of Intent must be submitted electronically at <http://lscgrants.lsc.gov>.

FOR FURTHER INFORMATION CONTACT: Mytrang Nguyen, Program Counsel, Office of Program Performance, Legal Services Corporation, 3333 K Street NW., Washington, DC, 20007; (202) 295-1564 or nguyenm@lsc.gov.

SUPPLEMENTARY INFORMATION:

I. General Information

The Pro Bono Innovation Fund was created after the LSC Board of Directors formed a Pro Bono Task Force in 2011 to identify ways to better engage pro bono lawyers and other volunteers to serve low-income people. One recommendation of the Pro Bono Task Force was to create a competitive Innovation Fund grant program. On January 17, 2014, the President signed Public Law 113-76, the Consolidated Appropriations Act of 2014, which included \$2.5 million in LSC's appropriation for the Pro Bono Innovation Fund. In its first year of grant making, LSC funded eleven projects seeking to address the critical legal needs of underserved populations with more pro bono volunteers, significant collaboration, and technology enhancements. The Consolidated and Further Continuing Appropriations Act, 2015, Public Law 113-235 (December 16, 2014) increased LSC's appropriation for the Pro Bono Innovation Fund to \$4 million and LSC funded an additional fifteen projects in FY15. On December 18, 2015, the Consolidated Appropriations Act, 2016, Public Law 114-113 provided \$4 million for the Pro Bono Innovation Fund.

In 2016, the Pro Bono Innovation Fund will continue to advance LSC's goal of increasing the quantity and quality of legal services provided to eligible people. Applicants to the Pro Bono Innovation Fund should identify the most pressing unmet client needs and how pro bono volunteers will be used to address those needs. Projects funded by the Pro Bono Innovation Fund will serve as demonstration efforts to strengthen pro bono service delivery and improve low income persons' access to high quality legal assistance through coordinated legal delivery systems.

II. Funding Opportunity Information

A. Pro Bono Innovation Fund Purpose and Key Goals

The purpose of the Pro Bono Innovation Fund is to develop and enhance pro bono programs that serve larger numbers of low-income clients and that improve the quality and effectiveness of the services clients receive by using pro bono volunteers. Projects should be innovative (new, replicable models and approaches to pro bono delivery) or replicate prior successful models.

The Pro Bono Innovation Fund is designed to address issues identified in the 2012 report of LSC's Pro Bono Task Force. The report provides a summary
