Submission for OMB Review; Comment Request

January 20, 2016.

The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104-13. Comments are requested regarding (1) whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Comments regarding this information collection received by February 25, 2016 will be considered. Written comments should be addressed to: Desk Officer for Agriculture, Office of Information and Regulatory Affairs, Office of Management and Budget (OMB), New Executive Office Building, 725-17th Street, NW., Washington, DC 20502. Commenters are encouraged to submit their comments to OMB via email to: OIRA_Submission@OMB.EOP.GOV or fax (202) 395-5806 and to Departmental Clearance Office, USDA, OCIO, Mail Stop 7602, Washington, DC 20250-7602. Copies of the submission(s) may be obtained by calling (202) 720-8958.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control

number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

Title: Small Business Innovation Research (SBIR) Program

OMB Control Number: 0524-NEW

Summary Of Collection: The Small Business Innovation Research (SBIR) program at the U.S. Department of Agriculture (USDA) makes competitively awarded grants to qualified small businesses to support high quality, advanced concepts research related to important scientific problems and opportunities in agriculture that could lead to significant public benefit if successful. The objectives of the SBIR Program are to: stimulate technological innovation in the private sector; strengthen the role of small businesses in meeting Federal research and development needs; increase private sector commercialization of innovations derived from USDA-supported research and development efforts; and foster and encourage participation by women-owned and socially and economically disadvantaged small business firms in technological innovation. The USDA SBIR Program is administered by the National Institute of Food and Agriculture (NIFA) of the USDA.

Need And Use Of The Information: The USDA SBIR Program Office proposes to contact Phase II awardees to determine their success in achieving commercial application of a market ready technology that was funded under the USDA SBIR Program. The survey would collect information from Phase II companies that received funding during the years of 1994 to 2014. Data from the survey will be used to provide information that currently does not exist. The data will be used internally by the USDA SBIR Office to identify past and current activities of Phase II grantees in the areas of technology development, commercialization success, product development or services, and factors that may have prevented the technology from entering into the marketplace.

Description of Respondents: Business or other for-profit

Number of Respondents: 499

Frequency of Responses: Reporting: On occasion
