Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend subsection (a)(7) of Rule 7003, Registration and Processing Fees, as described further below.

The text of the proposed rule change is available on the Exchange's Web site at <http://nasdaqomxbx.cchwallstreet.com/>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to make changes to the continuing education fees section of Rule 7003 to provide that the continuing education session fee will be \$55 if the session is conducted via Web delivery. The continuing education session fee will remain \$100 if the session is conducted at a testing center. The Exchange is deleting the \$60 session fee for the S501 Regulatory Element, which FINRA discontinued as of January 4, 2016.³

On August 8, 2015, the Commission approved SR-FINRA-2015-015 relating proposed changes to FINRA Rule 1250 to provide a Web-based delivery method for completing the Regulatory Element

³ Currently, Rule 7003(a) provides that certain fees will be collected and retained by FINRA via the Web CRD registration system for the registration of associated persons of Exchange members that are not also FINRA members. Under Rule 7003(a)(7), FINRA collects and retains a \$100 session fee for each individual who is required to complete the Regulatory Element of the Continuing Education Requirements pursuant to Exchange Rule 1120 (S101 and S201) and a \$60 session fee for each individual who is required to complete the Proprietary Trader Regulatory Element (S501).

¹¹ 15 U.S.C. 78s(b)(3)(A)(ii).

of the continuing education requirements.⁴ Pursuant to the rule change, effective October 1, 2015, the Regulatory Element of the Continuing Education Programs for the S201 for Registered Principals and Supervisors is now administered through Web-based delivery or such other technological manner and format as specified by FINRA. FINRA launched Web-based delivery of the S101 Regulatory Element program on January 4, 2016.⁵

Pursuant to the approval order for SR-FINRA-2015-015, the fee for test-center delivery of the Regulatory Element of the S201 Continuing Education programs will continue to be \$100 per session through no later than six months after January 4, 2016 when the program will no longer be offered at testing centers. However, under the SR-FINRA-2015-015 approval order the fee for Web-based delivery of the Regulatory Elements of the S101 and the S201 Continuing Education programs is now \$55.

The Exchange currently utilizes FINRA's Continuing Education programs for its own continuing education requirements which include the S101 and S201 programs. Consistent with SR-FINRA-2015-015, the Exchange recently filed a separate proposed rule change relating to continuing education.⁶ In that filing, the Exchange proposed to follow the changes set forth in SR-FINRA-2015-015 with respect to Web-based delivery of the Regulatory Element of the Continuing Education programs for the S101 and the S201. Consistent with SR-FINRA-2015-015 this proposed rule change would amend Rule 7003 to provide that the following fees will be collected and retained by FINRA for the registration of associated persons of Exchange members that are not also FINRA members: A \$100 session fee (\$55 if the Continuing Education is Web-based) for each individual who is required to complete the Regulatory

Element of the Continuing Education Requirements pursuant to Exchange Rule 1120 (S101 and S201). The proposal will eliminate the \$60 session fee for each individual who is required to complete the Proprietary Trader Regulatory Element (S501).⁷

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Act and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.⁸ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁹ requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)¹⁰ requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

Web-based delivery will remove time parameters that exist with respect to taking continuing education at testing centers. Having additional time to take continuing education may result in better learning outcomes, which should enhance investor protection. In addition, the option to have Web-based delivery of the Regulatory Element of the Continuing Education program at a reduced cost makes it easier and less costly for registrants to participate in the market. Accordingly, the Exchange believes that Web-based delivery of the Regulatory Element of the Continuing Education Program and reducing the costs of continuing education in general are goals that are consistent with the Act.

⁷ As noted above, the S501 Proprietary Trader Regulatory Element was discontinued January 4, 2016. The Exchange anticipates filing a subsequent rule change to eliminate the reference to the \$100 session fee when the test center option is eliminated for the S101 and S201 Regulatory Elements.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. As FINRA has stated, the proposed rule change is specifically intended to reduce the burdens of continuing education on market participants while preserving the integrity of the Continuing Education program.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act.¹¹

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) Necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to list and trade the Shares under BATS Rule 14.11(i), which governs the listing and trading of Managed Fund Shares on the Exchange.³ The Funds will be actively

managed funds. The Shares will be offered by the Trust, which was established as a Delaware statutory trust on June 21, 2011. The Trust is registered with the Commission as an open-end investment company and has filed a registration statement on behalf of the Funds on Form N-1A (“Registration Statement”) with the Commission.⁴

Description of the Shares and the Funds

BlackRock Fund Advisors is the investment adviser (“BFA” or “Adviser”) to the Funds.⁵ State Street Bank and Trust Company is the administrator, custodian, and transfer agent (“Administrator,” “Custodian,” and “Transfer Agent,” respectively) for the Trust. BlackRock Investments, LLC serves as the distributor (“Distributor”) for the Trust.

BATS Rule 14.11(i)(7) provides that, if the investment adviser to the investment company issuing Managed Fund Shares is affiliated with a broker-dealer, such investment adviser shall erect a “fire wall” between the investment adviser and the broker-dealer with respect to access to information concerning the composition and/or changes to such investment company portfolio.⁶ In addition, Rule

(August 30, 2011), 76 FR 55148 (September 6, 2011) (SR-BATS-2011-018).

⁴ See Registration Statement on Form N-1A for the Trust, dated November 2, 2015 (File Nos. 333-179904 and 811-22649). The descriptions of the Funds and the Shares contained herein are based, in part, on information in the Registration Statement. The Commission has issued an order granting certain exemptive relief to the Trust under the Investment Company Act of 1940 (15 U.S.C. 80a-1) (“1940 Act”) (the “Exemptive Order”). See Investment Company Act Release No. 29571 (January 24, 2011) (File No. 812-13601).

⁵ BFA is an indirect wholly owned subsidiary of BlackRock, Inc.

⁶ An investment adviser to an open-end fund is required to be registered under the Investment Advisers Act of 1940 (the “Advisers Act”). As a result, the Adviser and its related personnel are subject to the provisions of Rule 204A-1 under the Advisers Act relating to codes of ethics. This Rule requires investment advisers to adopt a code of ethics that reflects the fiduciary nature of the relationship to clients as well as compliance with other applicable securities laws. Accordingly, procedures designed to prevent the communication and misuse of non-public information by an investment adviser must be consistent with Rule 204A-1 under the Advisers Act. In addition, Rule 206(4)-7 under the Advisers Act makes it unlawful for an investment adviser to provide investment advice to clients unless such investment adviser has (i) adopted and implemented written policies and procedures reasonably designed to prevent violation, by the investment adviser and its supervised persons, of the Advisers Act and the Commission rules adopted thereunder; (ii) implemented, at a minimum, an annual review regarding the adequacy of the policies and procedures established pursuant to subparagraph (i) above and the effectiveness of their implementation; and (iii) designated an individual (who is a supervised person) responsible for
