OVERSEAS PRIVATE INVESTMENT CORPORATION

[OPIC-162, OMB 3420-0019]

Submission for OMB Review; Comments Request

AGENCY: Overseas Private Investment Corporation (OPIC).

ACTION: Notice and request for comments.

SUMMARY: Under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35), agencies are required to publish a Notice in the **Federal Register** notifying the public that the agency is modifying an existing information collection for OMB review and approval and requests public review and comment on the submission. Comments are being solicited on the need for the information; the accuracy of OPIC's burden estimate; the quality, practical utility, and clarity of the information to be collected; and ways to minimize reporting the burden, including automated collection techniques and uses of other forms of technology.

The proposed change to OPIC-162 clarifies existing questions, incorporates sector-specific development impact questions and eliminates ineffective questions in an effort to harmonize development impact indicators with other Development Finance Institutions ("DFIs"). OPIC is a signatory to a "Memorandum of Understanding" with 25 partnering DFIs to harmonize development impact metrics where possible. The goal of this effort is to reduce the reporting burden on clients that receive financing from multiple DFIs and to instill best practices in the collection and the reporting on OPIC's developmental impacts. To minimize the reporting burden on respondents, OPIC has designed OPIC-162 as an electronic form with questions populating only if they relate to a project.

DATES: Comments must be received within sixty (60) calendar days of publication of this Notice.

ADDRESSES: Mail all comments and requests for copies of the subject form to OPIC's Agency Submitting Officer: James Bobbitt, Overseas Private Investment Corporation, 1100 New York Avenue NW., Washington, DC 20527. See **SUPPLEMENTARY INFORMATION** for other information about filing.

FOR FURTHER INFORMATION CONTACT: OPIC Agency Submitting Officer: James Bobbitt, (202) 336-8558.

SUPPLEMENTARY INFORMATION: All mailed comments and requests for copies of the subject form should include form number OPIC-162 on both the envelope and in the subject line of the letter. Electronic comments and requests for copies of the subject form may be sent to *James.Bobbitt@opic.gov*, subject line OPIC-162.

Nanotechnology Commercialization Success Stories

ACTION: Request for information.

SUMMARY: The purpose of this Request for Information (RFI) is to seek examples of commercialization success stories stemming from U.S. Government-funded nanotechnology research and development (R&D) since the inception of the National Nanotechnology Initiative (NNI) in 2001. The information gathered in response to this RFI may be used as examples to highlight the impact of the Initiative or to inform future activities to promote the commercialization of federally funded nanotechnology R&D. Depending on the nature of the feedback, responses may be used to shape the agenda for a workshop to share best practices and showcase commercial nanotechnology-enabled products and services. Commercial entities, academic institutions, government laboratories, and individuals who have participated in federally funded R&D; collaborated with Federal laboratories; utilized federally funded user facilities for nanoscale fabrication, characterization, and/or simulation; or have otherwise benefited from NNI agency resources are invited to respond.

DATES: Responses are requested by February 29, 2016.

ADDRESSES: You may submit responses by any of the following methods (email is preferred):

- *Email:* *NNISuccessStories@nnco.nano.gov*. Include [*NNI Success Story*] in the subject line of the message.

- *Mail:* Mike Kiley, National Nanotechnology Coordination Office, ATTN: RF10116, 4201 Wilson Blvd., Stafford II, Suite 405, Arlington, VA 22230. If submitting a response by mail, allow sufficient time for mail processing.

Instructions: Submissions are limited to five pages, one of which we strongly recommend be an overview slide using the template provided at *www.nano.gov/NNISuccessStories*. Responses must be unclassified and should not contain any sensitive personally identifiable information (such as home address or social security number), or information that might be considered proprietary or confidential). Please include a contact name, email address, and/or phone number in case clarification of details in your submission is required.

Disclaimer: Federal agencies may or may not use any responses to this RFI
