[Docket No. FDA-2015-N-0011]

#### Center for Food Safety and Applied Nutrition Library Address; Technical Amendments

**AGENCY:** Food and Drug Administration, HHS.

**ACTION:** Final rule; technical amendments.

**SUMMARY:** The Food and Drug Administration (FDA or we) is amending certain regulations to update the location of references cited in our food regulations. We are taking this action to reflect the transfer of those references from our facility in College Park, MD, to our library at our main campus in Silver Spring, MD. We also are updating certain regulations to reflect the current names for specific FDA offices.

**DATES:** This rule is effective February 3, 2016.

**FOR FURTHER INFORMATION CONTACT:** Philip L. Chao, Center for Food Safety and Applied Nutrition (HFS-024), Food and Drug Administration, 5100 Paint Branch Pkwy., College Park, MD 20740-3835, 240-402-2112.

**SUPPLEMENTARY INFORMATION:** Various regulations pertaining to human food have incorporated materials by reference. In general, the regulations have identified a library at the Center for Food Safety and Applied Nutrition (CFSAN), which was (at the time the regulations were published) located in Washington, DC, or in College Park, MD. We recently consolidated our library holdings at our main campus in Silver Spring, MD. Consequently, we are making technical amendments to our regulations at parts 73, 101, 118, 165, 172, 173, 177, 178, 184, 189, 589, and 700 (21 CFR parts 73, 101, 118, 165, 172, 173, 177, 178, 184, 189, 589, and 700) to state that the materials can be found at the FDA Library in Silver Spring, MD.
