

results of review.⁷ Rebuttal briefs and rebuttals to written comments, limited to issues raised in such briefs or comments, may be filed no later than five days after the time limit for filing the case briefs.⁸

Any interested party may request a hearing within 30 days of publication of these preliminary results.⁹ Hearing requests should contain the following information: (1) The party's name, address, and telephone number; (2) the number of participants; and (3) a list of the issues to be discussed. Oral presentations will be limited to issues raised in the briefs. If a request for a hearing is made, parties will be notified of the time and date for the hearing to be held at the U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230.¹⁰

The Department intends to issue the final results of these new shipper reviews, which will include the results of its analysis of issues raised in all comments and at any hearing, within 90 days of publication of these preliminary results, pursuant to section 751(a)(2)(B)(iv) of the Act.

Assessment Rates

Upon completion of the final results, pursuant to 19 CFR 351.212(b), the Department will determine, and U.S. Customs Border and Protection ("CBP") shall assess, antidumping duties on all appropriate entries on a per-unit basis for HHFISH. The Department intends to issue assessment instructions to CBP 15 days after the date of publication of the final results of review. Pursuant to 19 CFR 351.212(b)(1), we will calculate importer-specific (or customer) per-unit duty assessment rates. We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review if any importer-specific assessment rate calculated in the final results of this review is above *de minimis*. The final results of these reviews shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of these reviews and for future deposits of estimated duties, where applicable.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this new shipper review for all shipments of subject merchandise from HHFISH entered, or withdrawn from warehouse,

for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Act: (1) For subject merchandise produced and exported by HHFISH, the cash deposit rate will be the rate established in the final results of this review (except, if a rate is zero or *de minimis*, no cash deposit will be required); (2) for subject merchandise exported by HHFISH but not manufactured by HHFISH, the cash deposit rate will continue to be the Vietnam-wide rate (*i.e.*, \$2.39 per kilogram); and (3) for subject merchandise manufactured by the HHFISH, but exported by any other party, the cash deposit rate will be the rate applicable to the exporter. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Interested Parties

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing these results in accordance with sections 751(a)(2)(B) and 777(i)(1) of the Act.

Dated: January 21, 2016.

Paul Piquado,

Assistant Secretary for Enforcement and Compliance.

Honey From the People's Republic of China: Initiation of Antidumping Duty New Shipper Review; 2014-2015

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

ACTION: Notice.

SUMMARY: The Department of Commerce ("the Department") is initiating a new shipper review ("NSR") of the antidumping duty ("AD") order on honey from the People's Republic of China ("PRC") with respect to Shanghai Sunbeauty Trading Co., Ltd. ("Shanghai Sunbeauty"). The period of review ("POR") for this NSR is December 01, 2014, through November 30, 2015.

DATES: *Effective Date:* February 3, 2016.

FOR FURTHER INFORMATION CONTACT: Jessica Weeks, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: 202-482-4877.

SUPPLEMENTARY INFORMATION:

Background

The AD order on honey was published in the **Federal Register** on December 10, 2001.¹ On December 17, 2015, pursuant to section 751(a)(2)(B)(i) of the Tariff Act of 1930, as amended ("the Act"), and 19 CFR 351.214(b), the Department received a NSR request from Shanghai Sunbeauty.² Shanghai Sunbeauty certified that it is the exporter of the subject merchandise upon which the request is based and that its affiliate, Xiping Haina Trade Co., Ltd., is the producer of the subject merchandise.³

Pursuant to section 751(a)(2)(B) of the Act and 19 CFR 351.214(b)(2)(ii), Shanghai Sunbeauty certified that it did not export subject merchandise to the United States during the period of investigation ("POI").⁴ Further, Xiping Haina Trade Co., Ltd. certified that it is the producer of the subject merchandise upon which the request is based. addition, pursuant to section 751(a)(2)(B)(i)(II) of the Act and 19 CFR 351.214(b)(2)(iii)(A), Shanghai Sunbeauty certified that, since the initiation of the investigation, it has never been affiliated with any PRC exporter or producer who exported subject merchandise to the United States during the POI, including those respondents not individually examined during the investigation.⁵ As required by 19 CFR 351.214(b)(2)(iii)(B), Shanghai Sunbeauty also certified that its export activities were not controlled by the government of the PRC.⁶

In addition to the certifications described above, pursuant to 19 CFR 351.214(b)(2)(iv), Shanghai Sunbeauty submitted documentation establishing the following: (1) The date on which it first shipped subject merchandise for export to the United States; (2) the volume of its first shipment and subsequent shipments; and (3) the date of its first sale to an unaffiliated customer in the United States.⁷

Finally, the Department conducted a U.S. Customs and Border Protection (“CBP”) database query and confirmed the price and quantity reported by Shanghai Sunbeauty.⁸

Initiation of New Shipper Review

Pursuant to section 751(a)(2)(B) of the Act, 19 CFR 351.214(b), and 19 CFR 351.214(d)(1), and based on the evidence provided by Shanghai Sunbeauty, we find that its request meets the threshold requirements for initiation of the NSR for shipments of honey from the PRC produced by Xiping Haina Trade Co., Ltd. and exported by Shanghai Sunbeauty.⁹ The POR is December 01, 2014, through November 30, 2015.¹⁰ If the information supplied by Shanghai Sunbeauty is found to be incorrect or insufficient during the course of this proceeding, the Department may rescind the review for Shanghai Sunbeauty or apply facts available pursuant to section 776 of the Act, depending on the facts on the record.

Absent a determination that the new shipper review is extraordinarily complicated, the Department intends to

issue the preliminary results of this NSR within 180 days from the date of initiation and the final results within 90 days after the date on which the preliminary results are issued.¹¹

It is the Department’s usual practice, in cases involving non-market economies (“NMEs”), to require that a company seeking to establish eligibility for an antidumping duty rate separate from the NME entity-wide rate provide evidence of *de jure* and *de facto* absence of government control over the company’s export activities. Accordingly, we will issue questionnaires to Shanghai Sunbeauty that will include a section requesting information concerning its eligibility for a separate rate. The NSR will proceed if the responses provide sufficient indication that Shanghai Sunbeauty is not subject to either *de jure* or *de facto* government control with respect to its exports of subject merchandise.

We will instruct CBP to allow, at the option of the importer, the posting, until the completion of this review, of a bond or security in lieu of a cash deposit for each entry of the subject merchandise from the requesting companies in accordance with section 751(a)(2)(B)(iii) of the Act and 19 CFR 351.214(e). Because Shanghai Sunbeauty certified that its affiliate Xiping Haina Trade Co., Ltd. produced the subject merchandise which Shanghai Sunbeauty exported, the sales of which are the basis for the NSR request, we will instruct CBP to permit the use of a bond only for subject merchandise which Xiping Haina Trade Co., Ltd produced and Shanghai Sunbeauty exported.

Interested parties requiring access to proprietary information in this NSR should submit applications for disclosure under administrative protective order, in accordance with 19 CFR 351.305 and 19 CFR 351.306.

This initiation and notice are in accordance with section 751(a)(2)(B) of the Act, 19 CFR 351.214, and 19 CFR 351.221(c)(1)(i).

Dated: January 27, 2016.

Gary Taverman,

Associate Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
