Subcommittee on Procedures Review (SPR), Advisory Board on Radiation and Worker Health, National Institute for Occupational Safety and Health Meeting

In accordance with section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92–463), the Centers for Disease Control and Prevention (CDC), announces the following meeting for the aforementioned subcommittee:

DATES: 11:00 a.m.–4:30 p.m., EST, February 24, 2016.

ADDRESSES: Audio Conference Call via FTS Conferencing.

Status: Open to the public, but without a public comment period. The public is welcome to submit written comments in advance of the meeting, to the contact person below. Written comments received in advance of the meeting will be included in the official record of the meeting. The public is also welcome to listen to the meeting by joining the teleconference at the USA
Members may be invited to serve for terms of up to four years. The U.S. Department of Health and Human Services is soliciting nominations for possible membership on the Interagency Committee on Smoking and Health (ICSH), Office on Smoking and Health (OSH).

The ICSV consists of five members appointed by the Secretary of Health and Human Services and maintained by the National Institute for Occupational Safety and Health (NIOSH). The committee advise the Director, CDC, and the Secretary, HHS, in the area of occupational health and safety.

Nominations are being sought for individuals with expertise and qualifications necessary to contribute to the accomplishment of the committee's objectives. More information is available on the ICSV, OSH Web site: http://www.cdc.gov/tobacco/ICSH/index.htm.

Nominees will be selected based on expertise in the field of tobacco control and multi-disciplinary expertise in public health. Additionally, desirable qualifications include: (1) Knowledge of emerging tobacco control policies and programs, including tobacco product regulation and/or the impact of tobacco control interventions. Federal employees will not be considered for membership.
