SUPPLEMENTARY INFORMATION:

Title: Persons Providing Remittance Forwarding Services to Cuba.

OMB Number: 1505-0167.

Abstract: The information is required of persons subject to the jurisdiction of the United States who make remittances to persons in Cuba pursuant to the general licenses in section 515.570 of the Cuban Assets Control Regulations, 31 CFR part 515 (CACR). The information will be used by OFAC to monitor compliance with regulations governing unlimited family and family inherited remittances, donative remittances, unlimited remittances to religious organizations, remittances to students in Cuba pursuant to an educational license, limited emigration remittances, and periodic remittances from blocked accounts.

Current Actions: As a result of policy changes, which were implemented in regulatory changes published by OFAC on January 16, 2015 (80 FR 2291) and on September 21, 2015 (80 FR 56915), OFAC modified the information collection requirements on Remittance Forwarders (RFs) and removed the suggested form TD F 90-22.52 (Cuban Remittance Affidavit) for the collection of that information as previously approved by OMB (No. 1505-0167). In addition, OFAC removed, among others, the monetary limits on donative remittances to Cuba. As to information collection requirements, OFAC previously required RFs to collect information showing compliance with relevant remittance provisions and/or provide a voluntary remittance affidavit form including, within the relevant category of authorized remittance, the name of the recipient (and if applicable, relation, date of birth, visa number/date) and the remitter's address, contact information, mother's maiden name, and date of birth. OFAC now requires only that persons subject to U.S. jurisdiction providing remittance forwarding services authorized pursuant to 31 CFR 515.570 retain for at least five
