

workplace and seeks broad-based and diverse FACOSH membership. Any federal agency, labor organization representing federal workers, or individual(s) may nominate one or more qualified persons for membership on FACOSH. Interested individuals also are invited and encouraged to submit statements in support of a nominee(s).

Nomination requirements.

Submission of nominations must include the following information:

1. The nominee's name, contact information and current employment;
2. The nominee's resume or curriculum vitae, including prior membership on FACOSH and other relevant organizations, associations and committees;
3. Category of membership (management or labor) that the nominee is qualified to represent;
4. A summary of the nominee's background, experience and qualifications that address the nominee's suitability to serve on FACOSH;
5. Articles or other documents the nominee has authored that indicate the nominee's knowledge, experience and expertise in occupational safety and health, particularly as it pertains to the federal workforce; and

6. A statement that the nominee is aware of the nomination, is willing to regularly attend and participate in FACOSH meetings, and has no apparent conflicts of interest that would preclude membership on FACOSH.

Member selection. The Secretary appoints FACOSH members based upon criteria that include the nominee's level of responsibility for occupational safety and health matters involving the federal workforce; experience and competence in occupational safety and health; and willingness and ability to regularly and fully participate in FACOSH meetings. Federal agency management nominees who serve as their agency's Designated Agency Safety and Health Official (DASHO), or at an equivalent level of responsibility within their respective federal agencies, are preferred as management members. Labor nominees who have responsibilities for federal employee occupational safety and health matters within their respective labor organizations are preferred as labor members.

Information received through the nomination process, along with other relevant sources of information, will assist the Secretary in making appointments to FACOSH. In selecting FACOSH members, the Secretary will consider individuals nominated in response to this **Federal Register** notice, as well as other qualified individuals.

OSHA will publish a list of the new FACOSH members in the **Federal Register**.

OSHA will consider any nomination submitted in response to this notice for the vacancies that occur on January 1, 2017. In addition, OSHA will consider the nominations for any vacancy that may occur during 2016 and for member positions that open January 1, 2017, provided the information the nominee submitted continues to remain current and accurate. OSHA believes that 'rolling over' nominations for future consideration will make it easier for interested individuals to be considered for membership on FACOSH. This process also will provide OSHA with a broad base of nominations for ensuring that FACOSH membership is fairly balanced as the Federal Advisory Committee Act (5 U.S.C. App.2, Section (5)(b)(2); 41 CFR 102-3.30(c)). OSHA will continue to request nominations as vacancies occur, but nominees whose information is current and accurate will not need to resubmit a nomination.
