SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-77043; File No. SR-DTC-2016-002]

Self-Regulatory Organizations; The Depository Trust Company; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Regarding the Discontinuance of the Facsimile and Hardcopy Delivery Methods of Security Position Reports

February 3, 2016.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 1, 2016, The Depository Trust Company (“DTC”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by DTC. DTC filed the proposed rule change pursuant to Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(6) thereunder.⁴ The proposed rule change was effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Clearing Agency’s Statement of the Terms of Substance of the Proposed Rule Change

The proposed rule change by DTC would discontinue the options for Users (as defined below) to receive facsimile or hardcopy delivery of Security Position Reports (“SPRs”), as more fully described below.⁵ Users could continue to access SPRs using the other currently available methods that DTC makes available for all Users, namely either directly through the secure DTC Web site dedicated to SPR processing (“SPR

Site”)⁶ or by using DTC’s Computer-to-Computer Facility (“CCF”).⁷ Consistent with the elimination of the facsimile and hardcopy methods described above, DTC would eliminate the provision in the DTC SPR Pricing Schedule (“Pricing Schedule”)⁸ relating to a special charge for facsimile delivery of SPRs by DTC and make technical changes to text in the DTC Operational Arrangements (“OA”),⁹ as described below.

II. Clearing Agency’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, DTC included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. DTC has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

(A) Clearing Agency’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Background

DTC may provide to Issuers, Trustees, and third party Agents authorized by the Issuer (collectively, “Users”), listings of Participants’ holdings of Issuer Securities on a specific date for specific Securities, by CUSIP number. These listings are known as SPRs or Security Position Listings.¹⁰ DTC charges fees for providing SPRs, as set forth in the Pricing Schedule.

All Users must be registered for the SPR Site and all requests for subscriptions or individual copies of SPRs must be made through the SPR Site. A User may request that the delivery of an SPR be made directly through the SPR Site in either Browser or Spreadsheet formats, by CCF,¹¹ or by

facsimile. Hardcopy delivery is also available for certain Users upon request.¹² For reports covered by SPR subscriptions, Users do not pay an additional delivery fee regardless of delivery method. However, for reports not covered by SPR subscriptions, *i.e.*, special requests and meeting record date requests, Users must pay an additional \$25.00 charge for facsimile and spreadsheet delivery.

DTC is proposing to eliminate the facsimile and hardcopy methods of SPR delivery for a number of reasons. First, doing so would improve efficiencies in terms of streamlining SPR processing away from more manually intensive delivery methods and thus lower costs to DTC. Second, eliminating physical delivery methods in favor of access to SPRs through electronic interface or transmission methods provides a higher level of security.¹³ Third, the elimination of these two delivery methods should not have a significant impact on Users because delivery of SPRs through facsimile and hardcopy delivery represents less than one percent of SPRs delivered. Fourth, there is no additional delivery-related charge to a User for access to SPRs via Browser or CCF, thus making those delivery options less costly for non-subscription Users that currently pay an additional charge of \$25.00 for facsimile delivery per report.¹⁴

Although Users that have SPR subscriptions would no longer have the option to receive SPRs by facsimile or hardcopy, the cost savings to DTC of eliminating these delivery methods is ultimately cost savings to the Users. The elimination of the facsimile and hardcopy methods would balance the costs to DTC and obviate the need for DTC to raise its SPR subscription fees.

Proposed Revisions to the Pricing Schedule and OA

In connection with this proposal to no longer offer facsimile and hard copy [sic] delivery methods, DTC would update its Pricing Schedule to remove the \$25.00 additional charge per report when facsimile service is specifically

through CCF. DTC does not charge Users for the establishment or maintenance of links to CCF.

¹² Hardcopy delivery is utilized by a small number of Users on a “grandfathered” basis and is not currently available as an option for new Users. Upon implementation of the proposed rule change these grandfathered Users would be required to migrate to another available delivery method.

¹³ As mentioned above, all Users have the ability to obtain SPRs directly through the SPR Site.

⁵ Terms not otherwise defined herein have the meaning set forth in the DTC Rules, By-laws and Organization Certificate (“DTC Rules”), available at <http://www.dtcc.com/legal/rules-and-procedures.aspx>.

⁶ Users choosing to access an SPR directly through the SPR Site could select to view the SPR in either a web browser format (“Browser”) or in a downloadable spreadsheet format (“Spreadsheet”).

¹¹ CCF delivery of SPRs may be requested by Users who have set up a link to interface with DTC
