Background: The Administrator of the General Services Administration established the Committee on June 20, 2011 (**Federal Register**/Vol. 76, No. 118), pursuant to Section 494 of the Energy Independence and Security Act of 2007 (EISA, 42 U.S.C. 17123). Under this authority, the Committee advises GSA on the rapid transformation of the Federal building portfolio to sustainable technologies and practices. The Committee reviews strategic plans,

products, and activities of the Office of Federal High-Performance Green Buildings, and provides advice regarding how the Office can accomplish its mission most effectively.

The *Green Leasing* task group will pursue the Committee's motion to "provide recommendations to improve federal government leasing language and requirements regarding . . . sustainability goals."

The conference calls will allow the task group to coordinate the development of consensus recommendations to the full Committee, which will in turn decide whether to proceed with formal advice to GSA based upon these recommendations. The task group will provide recommendations in support of GSA's development of model commercial leasing provisions, a requirement of the Energy Efficiency Improvement Act of 2015 (42 U.S.C. 17062).
