AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: As a result of these sunset reviews, the Department of Commerce ("Department") finds that revocation of the antidumping duty ("AD") orders would be likely to lead to continuation or recurrence of dumping at the dumping margins identified in the "Final Results of Reviews" section of this notice.

DATES: *Effective date:* February 10, 2016.

FOR FURTHER INFORMATION CONTACT: Shanah Lee, AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-6386, respectively.

SUPPLEMENTARY INFORMATION:**Background**

On October 1, 2015, the Department published the notice of initiation of the fourth sunset reviews of the AD *Orders*¹ on certain iron construction castings from Brazil, Canada, and the People's Republic of China ("PRC"), pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act").² On October 21, 2015, D&L Foundry, Inc., EJ USA, Inc. (formerly known as "East Jordan Iron Works, Inc."), Neenah Foundry Company, and U.S. Foundry and Manufacturing Corp. (Petitioners) notified the Department of their intent to participate within the 15-day period specified in section 351.218(d)(1)(i) of the Department's regulations. The domestic interested parties claimed

interested-party status under section 771(9)(C) of the Act as producers of a domestic like product in the United States.

On November 2, 2015, the Department received complete substantive responses to the *Notice of Initiation*, with respect to the *Orders*, from Petitioners within the 30-day period specified in 19 CFR 351.218(d)(3)(i).³ The Department received no substantive responses from respondent interested parties. As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), the Department has conducted expedited (120-day) sunset reviews of the antidumping duty orders on certain iron construction castings from Brazil, Canada, and the PRC.

As explained in the memorandum from the Acting Assistant Secretary for Enforcement and Compliance, the Department has exercised its discretion to toll all administrative deadlines due to the recent closure of the Federal Government. All deadlines in this segment of the proceeding have been extended four business days.⁴
