Correction

On December 21, 2015, the Department of Commerce (“Department”) published, in the **Federal Register**, the continuation notice of the above referenced Order and Suspended Antidumping Duty

Investigations.¹ The published **Federal Register** notice contained a clerical error stating that “{p}ursuant to sections 751(c)(2) and 751(c)(6) of the Act, the Department intends to initiate the next five-year sunset reviews of the antidumping duty order on CTL plate from the PRC and the Agreements on CTL plate from Russia and Ukraine not later than November 2019.”² The Notice should have read that the Department intends to initiate the above-referenced next five-year sunset reviews not later than November 2020.

Certain Pasta From Italy: Final Results of Antidumping Duty Administrative Review; 2013-2014

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On August 7, 2015, the Department of Commerce (the Department) published the preliminary results of the antidumping duty administrative review of certain pasta (pasta) from Italy and gave interested parties an opportunity to comment on the *Preliminary Results*.¹

The period of review (POR) is July 1, 2013, through June 30, 2014. As a result of our analysis of the comments and information received, these final results differ from the *Preliminary Results* with respect to Rummo S.p.A. Molino e Pastificio (the Rummo Group).² For the

final weighted-average dumping margins, see the “Final Results of Review” section below.

DATES: *Effective:* February 17, 2016.

FOR FURTHER INFORMATION CONTACT: Joy Zhang (La Molisana) or George McMahon (the Rummo Group), AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-1168 or (202) 482-1167, respectively.

SUPPLEMENTARY INFORMATION:

Background

On August 7, 2015, the Department of Commerce (the Department) published the *Preliminary Results*. In accordance with 19 CFR 351.309(c)(1)(ii), we invited parties to comment on our *Preliminary Results*. On August 10, 2015, La Molisana submitted a request for a hearing, which was withdrawn on October 27, 2015.³ On October 5, 2015, Petitioners, La Molisana S.p.A. (La Molisana)⁴ and the Rummo Group submitted their case briefs. October 9, 2015, the Department revised the briefing schedule.⁵ On October 15, 2015, Petitioners, La Molisana and the Rummo Group submitted their rebuttal briefs. As explained in the memorandum from the Acting Assistant Secretary for Enforcement and Compliance, the Department has exercised its discretion to toll all administrative deadlines due to the recent closure of the Federal Government. All deadlines in this segment of the proceeding have been extended by four business days. The revised deadline for the final results of this review is now February 9, 2016.⁶

S.p.A. Molino e Pastificio. In this review, we found that the facts have not changed with respect to Rummo and its affiliates and therefore, we followed the same methodology as we did in the most recent completed review (AR 17) by collapsing the affiliated companies as the Rummo Group. See *Certain Pasta From Italy: Notice of Final Results of 17th Antidumping Duty Administrative Review; 2012-2013*, 80 FR 8604 (February 18, 2015) (AR 17 *Final Results*).

³ Rummo filed a request for a hearing on September 9, 2015, which the Department rejected on September 9, 2015, as being untimely filed.

⁴ On October 6, 2015, La Molisana submitted a correction to an item stated in its October 5, 2015 case brief.

⁵ The Department also postponed the briefing schedule in several Memoranda to All Interested Parties, dated August 12, 2015, September 8, 2015, September 11, 2015, and September 28, 2015.

⁶ See Memorandum to the Record from Ron Lorentzen, Acting Assistant Secretary for Enforcement & Compliance, regarding “Tolling of Administrative Deadlines As a Result of the Government Closure During Snowstorm Jonas,” dated January 27, 2016.

Scope of the Order

Imports covered by the order are shipments of certain non-egg dry pasta. The merchandise subject to review is currently classifiable under items 1901.90.90.95 and 1902.19.20 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the merchandise subject to the order is dispositive.⁷

Analysis of Comments Received

All issues raised in the case and rebuttal briefs by parties to this administrative review are addressed in the Issues and Decision Memorandum. A list of the issues that parties raised and to which we responded is attached to this notice as Appendix. The Issues and Decision Memorandum is a public document and is on-file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov> and in the Central Records Unit (CRU), room B8024 of the main Department of Commerce building. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly on the Internet at <http://enforcement.trade.gov/frn/index.html>. The signed Issues and Decision Memorandum and the electronic versions of the Issues and Decision Memorandum are identical in content.

Changes Since the Preliminary Results

Based on a review of the record and comments received from interested parties regarding our *Preliminary Results*, we have recalculated La Molisana’s and the Rummo Group’s weighted-average dumping margins. However, La Molisana’s adjustments did not affect the calculated final margin.⁸

⁷ For a full description of the scope of the order, see the “Issues and Decision Memorandum for the Final Results of Antidumping Duty Administrative Review and Partial Rescission: Certain Pasta from Italy; 2013-2014” from Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, to Paul Piquado, Assistant Secretary for Enforcement and Compliance, dated concurrently with this notice (Issues and Decision Memorandum) and incorporated herein by reference.
