Accordingly, I find the CALJ's conclusion that Respondent has not accepted responsibility for his misconduct to be fully supported by the record and that he has not put forward sufficient evidence "that could reasonably support a finding that" he can be entrusted with a registration. R.D. at 38. Because I also agree with the CALJ's finding that Respondent's misconduct was egregious and that he still "does not believe he was mistaken in any way," I also agree that these factors support the denial of his application. *See id.* at 39. I therefore adopt the CALJ's recommendation that I deny Respondent's application.

Order

Pursuant to the authority vested in me by 21 U.S.C. 823(f) and 28 CFR 0.100(b), I order that the application of Arvinder Singh, M.D., for a DEA Certificate of Registration as a practitioner, be, and it hereby is, denied. This Order is effective immediately.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on September 11, 2015 (80 FR 54804).
