

- Styrene (CAS No. 100–42–5).

We have received a request for a 60-day extension of the comment period for the petition. The request conveyed concern that the current 60-day comment period does not allow sufficient time to collect and provide data and information and develop a meaningful and thoughtful response to the assertions set forth in the petition.

We have considered the request and are extending the comment period for the petition for an additional 60 days, until May 3, 2016. We believe that a 60-day extension allows adequate time for interested persons to submit comments without significantly delaying rulemaking on these important issues.

Dated: February 18, 2016.

SUPPLEMENTARY INFORMATION: The proposed rule would establish requirements concerning “gluten-free” labeling for foods that are fermented or hydrolyzed or that contain fermented or hydrolyzed ingredients. We received multiple requests for a 60-day extension of the comment period and one request for a 90-day extension of the comment period for the proposed rule. We have considered the requests and are reopening the comment period for the

proposed rule until April 25, 2016. We believe that an additional 60-day period allows adequate time for interested persons to submit comments without significantly delaying rulemaking on these important issues. This document also provides a notice of a public hearing for these proposed regulations.

DATES: Written or electronic comments must be received by May 23, 2016. Request to speak and outlines of topics to be discussed at the public hearing scheduled for June 6, 2016, at 10:00 a.m., must be received by May 23, 2016.

SUPPLEMENTARY INFORMATION:

Background

This document contains proposed amendments to 26 CFR part 1 under section 103 of the Internal Revenue Code (Code). Section 103 generally provides that, with certain exceptions, gross income does not include interest on any obligation of a State or political subdivision thereof. Section 1.103-1 of the Income Tax Regulations (the Existing Regulations) defines political subdivision as "any division of any State or local governmental unit which is a municipal corporation or which has been delegated the right to exercise part of the sovereign power of the unit."

On a few occasions, Federal courts have ruled on whether an entity qualifies as a political subdivision. *E.g., Philadelphia Nat'l Bank v. United States*, 666 F.2d 834 (3d Cir. 1981); *Comm'r of Internal Revenue v. White's Estate*, 144 F.2d 1019 (2d Cir. 1944). The IRS has also addressed this issue in revenue rulings, most recently in 1983. *E.g.*, Rev. Rul. 83-131 (1983-2 CB 184); Rev. Rul. 78-138 (1978-1 CB 314). Because the results in these revenue rulings generally turn on the unique facts and circumstances of the individual cases, numerous entities have sought and received letter rulings on whether they are political subdivisions. Letter rulings, however, are limited to their particular facts, may not be relied upon by taxpayers other than the taxpayer that received the ruling, and are not a substitute for published guidance. See 26 U.S.C. 6110(k)(3) (2015) (providing generally that a ruling, determination letter, or technical advice memorandum may not be used or cited as precedent).

Commenters have requested additional published guidance, to be applied prospectively, on which facts and circumstances are germane to an entity's status as a political subdivision.

The Treasury Department and IRS recognize the need to clarify the definition of political subdivision to provide greater certainty to prospective issuers and to promote greater consistency in how the definition is applied across a wide range of factual situations. These proposed regulations (the Proposed Regulations) would provide a new definition of political subdivision for purposes of tax-exempt bonds and would update and streamline other portions of the Existing Regulations. The definition of political subdivision in the Proposed Regulations does not apply in determining whether an entity is treated as a political subdivision of a State for purposes of section 414(d) of the Code.

Explanation of Provisions

1. Definition of Political Subdivision

The Proposed Regulations clarify and further develop the eligibility requirements for a political subdivision. To qualify as a political subdivision under the Proposed Regulations, an entity must meet three requirements, taking into account all of the facts and circumstances: sovereign powers, governmental purpose, and governmental control. The Proposed Regulations also authorize the Commissioner to set forth in future guidance to be published in the Internal Revenue Bulletin additional circumstances in which an entity qualifies as a political subdivision.

A. Sovereign Powers

The Proposed Regulations continue, without substantive change, the longstanding requirement that a political subdivision be empowered to exercise at least one of the generally recognized sovereign powers. The three sovereign powers recognized for this purpose are eminent domain, police power, and taxing power. See *Comm'r of Internal Revenue v. Shamborg's Estate*, 144 F.2d 998 (2d Cir. 1944). The entity must be able to exercise a substantial amount of at least one of these powers. See, e.g., Rev. Rul. 77-164 (1977-1 CB 20); Rev. Rul. 77-165 (1977-1 CB 21).

B. Governmental Purpose

In determining whether an entity is a political subdivision, the case law and administrative guidance interpreting the definition of political subdivision in the Existing Regulations commonly consider whether the entity serves a public purpose. Historically, the determination of whether an entity serves a public purpose has focused on the purpose for which the entity was
