OMB Number: 1505-0168.

Abstract: The information is required of persons subject to the jurisdiction of the United States who have been authorized by OFAC to provide travel and carrier services in connection with travel-related transactions involving Cuba pursuant to the general licenses in section 515.572 of the Cuban Assets Control Regulations, 31 CFR part 515 (CACR). Persons providing services authorized pursuant to 31 CFR 515.572 are required to retain for at least five years from the date of the transaction certain documentation from customers indicating the source of their authorization to travel to Cuba, which must be furnished to OFAC on demand.

Current Actions: As a result of policy changes, which were implemented in regulatory changes published by OFAC on January 16, 2015 (80 FR 2291), September 21, 2015 (80 FR 56915), and January 27, 2016 (81 FR 4583), OFAC modified the information collection requirements on persons providing travel and carrier services for the collection of that information as previously approved by the Office of Management and Budget (OMB) (No. 1505-0168). OFAC now requires only that persons subject to U.S. jurisdiction providing services authorized pursuant to 31 CFR 515.572 retain for at least five years from the date of the transaction a certification from each customer indicating the section of the CACR that authorizes the person to travel to Cuba. In the case of a customer traveling under a specific license, a copy of the license must be maintained on file with the person subject to U.S. jurisdiction providing services authorized pursuant to 31 CFR 515.572. These records must be furnished to OFAC on demand.
