H. Other Information

1. Public Comment

The FAST Act authorized the NSFHP program through FY 2020. This notice solicits applications for FY 2016 only. Because this is the first year implementing the NSFHP program, the Department invites interested parties to submit comments about this notice's contents, the Department's implementation choices within the legal bounds of the program, as well as suggestions for clarification in future NSFHP rounds. The Department seeks input on whether the information requested in applications is reasonable and clear, additional merit criteria should be considered, additional public engagement is necessary for specific

stakeholder groups, and the program sufficiently targets nationally or regionally significant projects. The Department may consider the submitted comments and suggestions when developing subsequent NSFHP notices and program guidance, but submitted comments will not affect the program's evaluation and selection process for FY 2016 awards. Applications or comments about specific projects should not be submitted to the docket. Any application submitted to the document will not be reviewed. Comments should be sent to DOT-OST-2016-0022 by June 1, 2016, but, to the extent practicable, the Department will consider late-filed comments.

If the application includes information the applicant considers to be a trade secret or confidential commercial or financial information, the applicant should do the following: (1) Note on the front cover that the submission "Contains Confidential Business Information (CBI)"; (2) mark each affected page "CBI"; and (3) highlight or otherwise denote the CBI portions. Only information that is ultimately determined to be confidential under that procedure will be exempt from disclosure under FOIA.
