### 3. Requirements for Submissions

Persons submitting a notification of intent to testify and/or written comments must do so in English and must identify (on the first page of the submission) "Global Steel Industry Situation." In order to be assured of consideration, comments should be submitted by 11:59 p.m., March 29, 2016.

In order to ensure the timely receipt and consideration of comments, USTR and Commerce strongly encourage commenters to make on-line submissions, using the [www.regulations.gov](http://www.regulations.gov) Web site. To submit comments via

[www.regulations.gov](http://www.regulations.gov), enter docket number USTR-2016-0001 on the home page and click "search." The site will provide a search-results page listing all documents associated with this docket. Find a reference to this notice and click on the link entitled "Comment Now!" (For further information on using the [www.regulations.gov](http://www.regulations.gov) Web site, please consult the resources provided on the Web site by clicking on "How to Use Regulations.gov" on the bottom of the home page).

The [www.regulations.gov](http://www.regulations.gov) Web site allows users to provide comments by filling in a "Type Comment" field, or by attaching a document using an "Upload File" field. Submitters are requested to limit comments to 10 double-spaced pages and to include an executive summary of no more than two double-spaced pages, providing supporting information in appendices. USTR and Commerce prefer that comments be provided in an attached document. If a document is attached, it is sufficient to type "See attached" in the "Type Comment" field. USTR prefers submissions in Microsoft Word (.doc) or Adobe Acrobat (.pdf). If the submission is in an application other than those two, please indicate the name of the application in the "Type Comment" field.

For any comments submitted electronically containing business confidential information, the file name of the business confidential version should begin with the characters "BC". The submission must be marked "BUSINESS CONFIDENTIAL" at the top and bottom of the cover page and each succeeding page, and the submission should indicate, via brackets, the specific information that is confidential. Additionally, "Business Confidential" must be included in the "Type Comment" field. For any submission containing business confidential information, a non-confidential version must be submitted separately (*i.e.*, not as part of the same submission with the confidential version), indicating where confidential information has been redacted. The file name of the public version should begin with the character "P". The "BC" and "P" should be followed by the name of the person or entity submitting the comments or reply comments. Filers submitting comments containing no business confidential information should name their file using the name of the person or entity submitting the comments.

Please do not attach separate cover letters to electronic submissions; rather, include any information that might appear in a cover letter in the comments themselves. Similarly, to the extent

possible, please include any exhibits, annexes, or other attachments in the same file as the submission itself, not as separate files.

As noted, USTR and Commerce strongly urge submitters to file comments through [www.regulations.gov](http://www.regulations.gov), if at all possible. Any alternative arrangements must be made with Iris Mayfield in advance of transmitting a comment. Ms. Mayfield should be contacted at (202) 395-5656.
